ANTIOCH, ILLINOIS, THURSDAY, SEPTEMBER 19, 1963

VOL. LXXVIII, NUMBER 12

Ground was broken for the addition to the Antioch Village Hall on Monday, Sept. 16. Present for the groundbreaking ceremonies were Mayor Merrill Cunningham, Trustees David Nissen and Irving Walsh (with pick), Clerk Clarence Skutts and Trustees Ernest Glen and Ray Toft.

Squad Aids Accident Victims

The Antioch Rescue Squad has answered numerous calls in the last two weeks, aiding victims of accidents and persons suffering from strokes or heart attacks.

On Sept. 17, Arthur Lee Cammerer, Jr., 11 years old, suffered a broken left arm when he fell off the swing at Channel Lake School during lunch hour. The squad took the boy to St. Therese Hospital.

The squad answered a call to Wilmet Road at about 6:30 p.m. Saturday, Sept. 14, and took Wesley B. Gillum 53, of California Subdivision to a doctor. Mr. Gillum had a broken left wrist.

Anthony Azzarello, Rt. 3, Channel Lake, was taken to the hospital on Sept. 14 suffering from a possible stroke.

David A. Wygant, 21, was taken to Victory Memorial Hospital on Sept. 13 by the squad after receiving lacerations of the head and compound fractures in an automobile accident on North Ave.

The squad was called to the home of Joe Ward, 76, of Rt. 5, Box 69, Antioch, on Sept. 12 after Mr. Ward suffered a possible heart attack.

The squad took Robert Bruce, 19, of 265 Ida Ave., Antioch, to the hospital on Sept. 8 after a three car accident at Deep Lake Road and Route 173. Mr. Bruce died shortly after admittance. From the same accident, the squad took S. D. Christopher, 32, 457 Collins Dr., South Beloit, to Victory Memorial

Public Aid Drops

Springfield, Ill. — Illinois public aid rolls continued to decline for the fourth successive month, with 895 fewer persons in July, according to a release today by Harold O. Swank, director of the Illinois Department of Public Aid.

Swank said the decline, which is at a much slower rate than the previous three months, brought the public aid rolls down to 417,413 — a reduction of 23,439 from the July 1962 total of 440,852. In June 1963, 418,308 persons received public aid in the State.

Swank reported that 2,433 persons received Public Aid in Lake County in July.

suffering compound fractures and lacerations; Baby Christopher, who was dead on arrival at the hospital; Jane Anderson, Antioch, to Victory Memorial with serious injuries; and enlisted the aid of the Lake Villa Rescue Squad to take Mrs. Christopher and her two daughters to the hospital.

On Sept. 8, Homer Clair of Indian Point was taken to Victory Memorial Hospital suffering from a possible heart attack.

The squad took Don Schroeder of Loon Lake to the hospital on Sept. 6 suffering from third degree burns. Mr. Schroeder, a Public Service employee, was injured while working on an electric line near the Antioch High School on Route 173. He died in Passavant Hospital the following Friday.

Mrs. Luly Lindeman, 77, of Chicago was taken to Victory Memorial Hospital on Sept. 5 after suffering a possible heart attack.

Register For Night School At ACHS

Evening classes at the Antioch High School will start the week of October 7 this year.

Registration is now being conducted at the High School. Interested persons may register any week day in the high school office from 7:30 a.m. to 4 p.m. The office will also be open from 7 to 8:30 p.m. in the evening on Thursday, Sept. 26 and Monday, Sept. 30.

Courses will meet one night per week for two hours, for ten weeks, unless otherwise noted.

There will be no refunds after the first class meeting. However, money will be refunded if there are not enough enrollments to make a class. A minimum of 10 persons must be enrolled for a class.

All courses are non-high school credit, but certificates of attendance will be issued on successful completion.

The following courses will be offered: Beginning typing, Tuesday, \$10; Intermediate typing, Tuesday, \$10; Gregg shorthand, Monday and Wednesday, 1½ hours, \$15; Bookkeeping, Monday, \$10; Refresher course in Gregg shorthand, Monday and Wednesday, 1½ hours, \$15; Office machines, Tuesday, five weeks, \$10, ten key, full key, computer, printing calculator, posting machine, rotary calculator, dictaphone, mimeograph, fluid duplicator; First aid, five weeks, Tuesday, \$1.00; Medical Self-Help, Mon-

Numbers Hunt Is Planned by C of C

Details of an upcoming "numbers hunt" and plans for Christmas decorations were some of the matters discussed at Monday night's meeting of the Chamber of Commerce.

Ray Jensen reported that the date of the "numbers hunt" had been set for Thursday and Friday, Oct. 10 and 11. In this promotion, the ad for the hunt is delivered to each mail box, and each ad is numbered. Each merchant participating in the promotion posts a list of numbers. The holder of the "lucky number" has an opportunity to buy a specified item at a fraction of its worth.

Members of the chamber discussed the misunderstanding prevailing among some businessmen that the sole aim of the Chamber is to promote retail sales, and that the major portion of dues money is spent on retail promotions. Ray Jensen pointed out that retail promotions

are financed by the merchants who participate in them, with each paying a certain fee for the privilege of joining in the sale. President William Brook also stressed that the chief aims of the Chamber are community service, including cultural, educational, the promotion of sports such as basketball and football, etc.

Various means of publicizing the Chamber were discussed, including the possibilities of window decals for Chamber members and the inclusion of the Chamber insignia in each ad of a Chamber member. Ralph Gressen suggested erecting a large signpost at the outskirts of town listing Chamber members. The suggestion was turned over to the Board for consideration.

The possibility of issuing community charge plates, with the Chamber serving as a clearing house for credit information, was also turned over to the Board for further consideration.

President Bill Brook read two letters from members of the Flying Farmers organization, thanking the Chamber for their help in making their visit in Antioch a pleasant and memorable one.

Vote on Members For Hospital Board

The Countryside annual meeting was held Sunday at which time Gene Walaszek, president, read the annual progress report. It revealed that the campaign to date totaled over \$101,401.00 in cash and statement of intentions. The report stated that 40% of the general solicitation had been completed.

The assembly recommended that the Board of Directors be expanded to bring other business and civic leaders into more active participation. In order to facilitate this action, a motion was carried to table the nominating committee's recommendations until a special meeting is held prior to the next regular meeting. This action was taken to permit the legal machinery to amend the constitution, in order to increase the number of board members.

B. J. Hooper, Chairman of the Nominating Committee, submitted the following persons for election to the board: W. C. Petty, at large; William Dixon, at large; William E. Brook; Edmund Vos; Marshall R. Schroeder; John Ro-

mer; Edith Elms; Richard Daniels; Arthur Seekatz; Winthrop Lyman and Robert Ringa.

Walaszek, Hooper and Dr. W. C. Petty, General Chairman of Countryside Campaign, were in agreement that the Co-Operative Woman's group should be represented on the board, in the persons of Mrs. Joyce McCleod and Mrs. June Eckert. These women have been active in the Countryside Campaign.

Petty was praised in the annual report for his participation in the campaign and acceptance of the General Chairmanship. He said, "I am pleased with the progress of the campaign and happy to know that the Lake County Board of Supervisors approved the Hospital Special Building permit. We are that much closer to building Countryside."

He also said, "we need the support of the women's clubs in the community. I know that the expansion of the Board of Directors will be beneficial to the building of Countryside."

Walaszek told the assembly

County Board Takes Ceiling Off Loans To Public Works Dept.

The County Board of Supervisors Tuesday approved a resolution removing the ceiling from the amount of money which the Board can advance to the Public Works Dept., and also removing the stipulation that it must be repaid to the General Fund within three years.

The resolution, introduced by Melvin Mullins, Avon township supervisor and chairman of the public works committee, was approved by a vote of 25-9.

When the Public Works Dept. was created, the stipulation was made that no more than \$100,000.00 could be advanced to the Dept. from the General Fund, and that the sum borrowed must be repaid to the Fund within three years.

Celebrates 35 Years As Priest

Rev. Alfred J. Henderson, pastor of St. Peter's Church in Antioch, will mark the 35th anniversary of his ordination to the priesthood this coming Sunday, September 22nd. To celebrate this event Father Henderson will offer a Solemn Mass of Thanksgiving for the school children at 11:00 a.m. on Friday morning, September 20th. After the Mass he plans to celebrate with the children.

All the parishioners will join in celebrating this anniversary with their pastor on Sunday afternoon, September 22nd, in the Church Hall at 3:30 p.m. The party will begin with a program by the

school children and the ladies of the parish will serve cake and coffee afterwards. An invitation is extended to all of Father Henderson's friends in the area.

In his 35 years as a priest, Father Henderson has always been closely associated with St. Peter's of Antioch. As a young priest he often assisted Father Dan Frawley on weekends in the old Church and in the big tent which was used to accommodate the extra large crowds in summer. When the new church was built, it was Father Henderson who delivered the first sermon, not realizing at that time that twenty years later he would be assigned there as pastor.

Father Henderson served as assistant in St. Sabina Church on the south side of Chicago until he was appointed to teach young men studying for the priesthood at Quigley Preparatory Seminary. While teaching for twenty years he resided in St. Columkille, St. Mel's, and St. Ita's parishes until he came to Antioch to act as pastor of St. Peter's in the winter of 1951.

Upon his arrival at St. Peter's, Father Henderson recognized the many needs of his new parish and worked unceasingly to meet them. He initiated a fund drive in 1955 which resulted in the building of a much needed convent. With the completion of this beautiful convent in 1957, school rooms that had been temporarily used for sisters' quarters were then made available for pressing school needs.

The recent completion of St. Peter Social Center and

The new resolution removes any legal limit to the amount the Public Works Dept. may be advanced from the General Fund. It also removed any time limit within which the money must be repaid. The money borrowed will now be repaid as revenues shall become available.

John Morris outlined the checks which the County Board would maintain on funds to be advanced to the Public Works Dept. The Board would have to approve the study of a project. That is, from a sketchy preliminary report they would determine if funds would be advanced to hire engineers or other experts to make a thorough study.

Secondly, they would be presented with a report of the thorough study, and would vote as to whether or not to proceed with the project.

Thirdly, they would have to approve the issuing of revenue bonds, where necessary.

In most cases, Morris said, the projects would be a joint undertaking of the county and the municipality involved.

The question was raised as to the possible liability of the county as a whole for any bonds issued, if the Public Works Dept. were unable to meet payments.

Morris said no such liability existed.

additional classrooms are tangible evidence of Father Henderson's continuing devotion to the service of his parishioners, particularly the Youth of the parish.

Red Cross and Navy Join Hands To Save Lives

Over 2,500 Great Lakes recruits who recently received smallpox vaccinations had an opportunity September 14 to put their blood to work in an unusual way, as a joint Red Cross-Navy team launched a massive one-day collection of blood to be used to prepare a little known life-saving drug, Vaccinia Immune Globulin.

The serum, known as "VIG" to doctors, is used to fight severe—although rare—infections some persons develop after smallpox vaccinations. The new drug can be made only from the blood of persons who have recently received smallpox vaccinations.

The joint blood clinic at Great Lakes, sponsored by Naval Medical Research Unit Four and the Red Cross, opened at 9 a.m. in Building 1200. Fifty Red Cross volunteers from neighboring Lake County chapters handled clerical, canteen and donor duties.

Saturday's collection marks the third time in 10 months Red Cross blood center personnel and Naval medical authorities have teamed up to collect blood at Great Lakes. Two earlier blood collections, in December 1962 and April 1963, furnished blood for naval research in the treatment of upper respiratory infections.

Rear Admiral F. P. Kreuz, Commanding Officer of the

Great Lakes Naval Hospital, in urging recruits with smallpox vaccinations to donate blood, said, "Vaccinia Immune Globulin is a product, derived from human blood, which falls into the category of a life-saving drug for emergency. This 'hyperimmune serum' may be used to treat non-immune persons exposed to smallpox. The major use, however, is for the treatment of the small percentage of people, usually children, who have reactions to smallpox vaccinations of such severity to endanger life or cause permanent disability."

Before the development and subsequent successful tests of VIG on humans three years ago, doctors had no specific treatment for infection cases with severe and sometimes fatal results. Serious reactions to smallpox vaccinations are extremely rare—occurring possibly only once in several hundred thousand times.

Generalized vaccinia accounts for many of the nation's reported cases handled by the Red Cross program. Instead of being sick for a week or ten days, as is usual, they were greatly improved in 24 hours after VIG injections, and were well in the next three to five days.

The second type, eczema vaccinatum is most often found in treatment of children. In these cases, the

live virus of the vaccine spreads to eczema rashes, causing secondary vaccinations in whole areas of the body. Mortality rates have ranged as high as 40 per cent without VIG treatment. Patients receiving early VIG treatment usually show rapid and dramatic improvement.

Accidental infection usually happens when a person touches his or another's fresh vaccination, transferring the live virus to a skin cut, rash, or even his eye. Children frequently infect themselves in this manner.

Vaccinia necrosum is considered the most dangerous complication of smallpox vaccination. Before VIG, cases were considered fatal. General response to treatment with the new drug has been good, with marked improvement shown in most cases.

Dr. James H. Pert, research director of the Red Cross national blood program, estimates 5,000 units of VIG will be used in 1964. Doctor Pert's estimate, when compared with figures from 1960, 1961, and 1962, indicate a mushrooming use of the vaccine. In 1960 only 11 units were used. In 1961 1,236 units were used and 1,979 units went to patients in 1962.

Dr. Pert says, "Before when VIG was not available, little could be done in a specific way for the patient."

Today Red Cross societies (continued on page 5)

AT THE ANNUAL MEETING of Countryside, hospital plans were discussed to expand the board of directors. Seen in discussion are L-R: Mrs. Joyce McCleod, Mrs. June Eckert, representatives of Co-Operative Woman's Group, Gene Walaszek, president and Dr. W. C. Petty, General Chairman of Countryside Campaign.

Local Reserve Officer Honored

Chief Boris Garey, Antioch, has recently returned from two weeks of active duty at the Naval Air Station, Willow Grove, Pa. He went to Willow Grove with Anti-Submarine Patrol Squadron 721, a unit that trains weekends at the Naval Air Station at Glenview.

It was reported that while on the training duty cruise, Chief Garey displayed the qualities of leadership and dedication necessary to Chief Petty Officers. He is considered a valuable member of his squadron, VP-721.

Chief Garey is in the Naval Reserve. The balance of his time is spent at his place of business about a mile south of Antioch on Route 21, Boris Garey's Automotive Service. Garey has a colorful history. He was born in Vladivostok, Eastern Maritime Province of Siberia. His father, Colonel Constantine Kazy-Garey, was a member of the Imperial Russian Army Engineers. At the age of 18, Boris joined the Russian White Army after studying at a Russian Military Academy at Chabarocsk.

Garey's brother, Lt. Alexander Kazy-Garey, was killed in action by the communists. His father was killed while fighting against a bolshevik uprising in southern Russia.

After the White Army had been completely defeated, Chief Garey escaped possible execution by fleeing to Manchuria.

The American YMCA helped Garey to come to the U. S.

Chief Boris Garey and he reached San Francisco in 1923. He worked in the Chicago area about five years, then enrolled at the University of Illinois, majoring in Mechanical Engineering.

The depression cut short Garey's college career after two years. In 1932, he opened a small automotive repair service at 311 Madison Ave. in Maywood.

In October of 1942, Garey enlisted in the U. S. Navy as a Motor Machinist's Mate, 2nd class. He served in the PT Boat Fleet in the Philippine Islands until his discharge from active duty in 1946. He had been promoted to Chief Petty Officer in 1945.

In 1947 he enlisted in the (Continued on page 3)

A New Problem?

The infant Antioch Chamber of Commerce is struggling with the problems of modern merchandising, traffic, etc. Different problems than the towns and the merchants in them had years ago. Here's an editorial written in the Antioch News of Sept. 19, 1929, by owner Homer Gaston.

CHANCE FOR BUSINESS CLUB

To grow a town must have some natural advantages, but generally speaking the average town is at least a good site for a city. Most "Main St." cities have at least one railroad and one good hard road. Antioch has two paved state highways (will have three).

Most towns are surrounded by good farm land, some have factories, and some have paved streets, a couple of three banks, one or more newspapers, good churches and schools—and a lot of people.

Now strange as it may seem, and much as it may be doubted and disputed, it is not so much the difference in the railroad, the surrounding farm land, the nearness or distance to some great city, as it is the kind of people which decides the future of the town.

In this modern day of specialization and organization, no community can do its best work unless there is some central organization representing the "organized community."

Usually a "Commercial Organization," "Chamber of Commerce," "League of Progress," or "Civic League" is the medium through which the community functions as an organization.

THESE THINGS WOULD HELP

There are some certain fundamental things that must go into the civic program of Antioch if citizens desire the community to progress and grow. Can anyone deny that every town needs: (1) Spirit (2) Vision (3) A definite program (4) An organization to carry out the program (5) Work. Or does anyone doubt that our city must be friendly, interesting, progressive, organized?

Cobwebs of Rumor

Fighting a rumor is like fighting cobwebs. It matters little whether the rumor has any element of truth or is completely baseless. Few people who hear the rumor will bother to investigate to find out how much truth there is in it. And even if they don't completely believe it, a doubt is created.

The fund for building Countryside Hospital is at present threatened with such a rumor. A rumor that the Hospital, if completed, will be run by a "clique" who will operate it for their own profit.

The Hospital has been chartered by the Corporation Dept. of the office of the Secretary of State as non-profit. This charter must be renewed yearly.

There are ten men on the Board of Directors of the hospital. A report of the finances of the hospital must be read at every monthly meeting of this Hospital Board, according to one of the board members.

So it would require, if not the active collusion, of all board members, the collusion of several plus complete apathy and disinterest on the part of those not in collusion, if board members took a profit from the hospital.

The ten board members are Eugene Wajaszek of Fox Lake; Warren D. Brown of Lake Villa; Robert J. Ringa of Lake Villa; B. J. Rundgren of Lake Villa; B. J. Hooper of Lake Villa; Mary Francis Groot, Round Lake; George Heuer of Antioch; Winthrop Lyman of Fox Lake; Ernest Olson, Spring Grove, and Al Hoffmeyer of Fox Lake.

Presuming that you feel there is a need for the hospital and would like to see it built; that you hesitate to contribute because you are made dubious by these rumors, and that you know none of the men on the hospital board well enough to judge their integrity and ability, there are steps you can take to insure representation on the Board and to become familiar with the set-up.

Any club or civic organization can become a member of the Countryside Hospital Association by paying \$10.00 dues. You are then eligible to send a delegate to Association meetings. He will vote at the election of the Board of Directors.

The Hospital Association itself has probably taken the best possible steps for scotching the rumors. At Sunday's meeting, names were submitted for the election of additional members of the Board of Directors. The suggested members are W. C. Petty, William Dixon, William Brook, Edmund Vos, Marshall Schroeder, John Romer, Edith Elms, Richard Daniels, Arthur Seckatz, Winthrop Lyman and Robert Ringa. The Board of Directors and the officers for the com-

Your Governor Reports

by OTTO KERNER

One of the most dramatic accomplishments in Illinois during the last two years has been in tax administration, a field more noted for headlines than headlines.

When I took office in 1901, I set out to make our tax laws yield their full potential. I named as Director of the Department of Revenue—the state's principal tax administration agency—a Chicago attorney, Theodore J. Isaacs, who agreed to serve until tax collections could be put on an efficient, impartial basis.

After more than two and one-half years of outstanding service, Mr. Isaacs this week resigned his post. The measure of his success is evident. The Department of Revenue has become the model of a fair and just agency dedicated to the twin goals of efficiency and equality.

Solely because of better administration and more equitable enforcement of our tax laws by the department, the State of Illinois will re-

ceive between \$150 and \$170 million during the current fiscal year. In other words, the increased effectiveness of this administration and enforcement will result in more state revenue than a half-cent increase in the sales tax would yield.

Mr. Isaacs' efforts played a key role in the fiscal policies that resulted, for the first time in 10 years, in no new or increased taxes. His value cannot be overemphasized. His unpublicized day-to-day performance is typical of many state employees who have been working to give our citizens the kind of efficient, economical government that they deserve.

I might add that we are fortunate in having as Mr. Isaacs' successor another able man, the former deputy director of the department, Harry L. Hulman. The department of Revenue, under Mr. Hulman, will continue to operate in the fair, efficient manner that has become its trademark.

New Belts For Safety Patrol

The lifesaving work of School Safety Patrol boys and girls will be more effective than ever in years to come thanks to a new scientific development.

A fluorescent orange glow belt has been produced to replace the traditional white Sam Browne Patrol belt, and is now being distributed to Illinois and Indiana schools by the Chicago Motor Club, sponsors of the Patrol movement since 1920.

Gordon Lindquist, of the motor club's traffic safety department, announced that the new orange belts will be distributed to schools when they order replacements for their current supply of white belts. The white belts have been in general use since they were first distributed to the School Safety Patrols by the Chicago Motor Club 43 years ago.

Lindquist said that the new belt, with its orange fluorescent exterior, offers greater visibility. The orange belt is made of textiles and plastic, he said, and in addition to being strong, lightweight, and flexible, it has the same adjustments for size that are available in the white belt.

The club announced the development of the orange Patrol belt in a letter sent to all school principals in the Club's Illinois-Indiana territory. The letter said, in part: "The Chicago Motor Club decided to adopt this new belt after three years of extensive testing... Our experiments reveal that it offers greater visibility, is more durable, and is easier to keep clean than the white belts. Wherever tested, teachers, parents, and students were unanimous in their approval."

"As you replace the white belts with the new ones, we suggest you start giving the orange Patrol belt to the School Safety Patrol boys and girls assigned to your most hazardous intersections."

There are approximately 66,000 white Patrol belts now in use by School Safety Patrols in the Chicago Motor Club's Illinois and Indiana territory. The Patrol movement, now international in scope, is credited with the savings of at least 17,000 lives in Illinois and Indiana alone since its founding by the motor club in 1920.

ing year will be elected at the next meeting on October 8.

The new members nominated will widen the area which is represented on the Board of Directors and should help considerably to gain the public's confidence in the integrity of the hospital fund's management.

Central High Enrolls 703

Seven hundred and three students are enrolled at Central High School in Salem, Wis., it was reported at a recent meeting of the Board of Education.

The board met Sept. 10. The Timm Agency was awarded the contract for boiler insurance.

The last vacancy on the teaching staff was filled with the hiring of Bernard Bringe. He will teach classes in office practice and mathematics.

Mrs. Best assumed the position of bookkeeper.

The board voted to order a new four-layer oven for the cafeteria. Saturday night, Sept. 21, was set as the date for the board-community-staff get-together.

A special meeting of the board of education will be held on Tuesday, Oct. 1.

Adolescence is that period in a child's life when his parents become more difficult.

Courthouse Notebook

BY LOU DURNIN

It was only slightly after 4 p.m., but a driving rain and lowering clouds were shutting out the last vestiges of daylight as the Lake County squad car got the radio call to hurry to the scene of an accident on the highway.

We picked the car up at Green Bay Rd. and Belvidere St. when the deputy who was driving passed us with the siren growling and its red light sending out a Morse code to drivers to make way.

Apparently, however, the other westbound drivers, windows closed against the rain, couldn't hear the siren and were watching the road ahead and paying no attention to the traffic behind.

Four times between Green Bay Rd. and the turnoff to southbound Skokie Highway, the red taillights of the squad car flashed on as the driver was forced to slow almost to a stop because cars ahead refused to pull aside and give him passing room.

Once on Skokie Highway the deputy was able to find running room and picked up speed, but twice more before he reached 22nd St., the scene of the accident, he had to slow down because of slow moving cars ahead.

We arrived at the scene in time to watch an ambulance try to thread its way through the heavy traffic flow in answer to a call from the first sheriff's squad on the accident scene.

The point of all this? Simply that highway patrolmen and ambulance drivers are often forced to risk their necks above and beyond the normal hazards of their jobs because many drivers fail to glance into their rear view mirrors on occasion and give the emergency vehicles the right of way.

Too often the driver who is not alert to what is happening on the road behind him isn't too alert about what is going on ahead, either.

There would seem to be an opportunity for some bright, young, proven vote-getter among Lake County politicians to get into the coming Republican primary for lieutenant governor and possibly form an alliance with Secretary of State Charles F. Carpenter.

The state of candidates who have made their intentions known so far is loaded with aging downstaters, many of whom are Catholic.

Political prudence dictates that a ticket should be balanced religion and region wise and a little youth sprinkled among the greybeards wouldn't hurt matters when the time comes to battle the Democrats in the fall.

Of course Lake County does have one state candidate in Albert (Doc) Nordstrom, our answer to Chicago's Lar Daly, but somehow we don't feel that the determined druggist is a real threat to Carpenter or Charles Percy.

State Rep. W. J. Murphy, of Antioch, has been mentioned on occasion as a possible candidate for state office, but we doubt that the House Majority Leader is giving much thought to such an undertaking at this time.

Rep. Murphy has a great opportunity to set the stage for a state-wide campaign in the future, however, if he can do a creditable job as chairman of the State Budgetary Commission.

A good job on this important commission and another good term as Majority Leader could go a long way toward reversing the "bad press" Rep. Murphy has received in the metropolitan papers in recent sessions of the legislature.

While he will probably shun any suggestions that he run for state office this year it's a safe bet that he would be active in the camp of anyone from this area who decides to enter the ring in April and, with the two positions he holds in the legislature, Rep. Murphy could be a right handy man to have around.

Circuit Judge Thomas J. Moran is having his hands full these days as he prepares for the make-over of the judiciary in accordance with the blue ballot judicial amendments voted last year and starts his campaign for a spot on the revamped Appellate Court.

Judge Moran is reportedly meeting with GOP precinct committeemen to get their pledge that they will insist on a county unit vote at the July Appellate convention.

Several townships have already signed pledges to this effect and since he appears to be the only candidate at this time he should have a running start on securing the nomination for one of the three Appellate posts.

NROTC Exams Scheduled

Vice Admiral W. R. Smedberg, III, Chief of Naval Personnel, announced today that the 18th annual national competitive examination for the Regular Naval Reserve Officers Training Corps will be given on December 14. Eligible high school seniors and graduates should submit their applications before November 22.

The NROTC program makes it possible for a young man to earn a regular commission while studying at the civilian college of his choice from among the 52 colleges with an NROTC Unit. Area Colleges offering an NROTC Program are Northwestern University, Illinois Institute of Technology, Notre Dame University, and the University of Illinois at Urbana. All tuition, fees and books are furnished by the Navy, and the student receives a retainer of \$50 per month for not more than four years.

During the student goes on training cruises as a midshipman. After successfully completing a four year college course, he is commissioned in the regular Navy or Marine Corps and goes on active duty as a career officer with the Navy's modern fleets.

Immediate assignments to aviation training, nuclear training or submarine training offer varied career opportunities to those graduates who apply and qualify.

High school seniors and graduates who will have reached the 17th but not the 21st anniversary of birth on 30 June 1964 may apply for the NROTC aptitude test. Those who make a qualifying score will be interviewed and given a thorough medical examination early in 1964.

From the number of qualified young men remaining in competition, about 2,000 will be selected to attend college.

Along The Way

with ANNIE MAE

Discussions among all local merchants have been many and varied about the pros and cons of the newly formed C. of C. Everyone seems to have his or her idea about what (or what not) an active Chamber should do. Ideas and ideals have poured forth from both members and non-members at phenomenal rates.

Speculations on economies and debates over petty grievances have marked all meetings. Still the struggling Chamber fights for a new lease on life. It seems to this inexperienced female that one vital point has repeatedly been overlooked: How about John Q. Public? What are you as a C. of C. going to offer him? Remember he is being wooed at the rate of 15 mailings a week, from Superior maidens with millions of value dollars to offer him.

No longer is John Q. interested in a horse and buggy courtship, he's had a taste of jet age love-making, and he likes it! He's going back for more unless you as a collective organization can offer him something more than a broken family.

THE LATEST REPORT: Sue and David Cain (that's the Cain of Jedele and) have sold their home on Highland Ave.

next September to prepare for their naval careers. Application forms are available at local high schools and Navy Recruiting Stations or from the Chief of Naval Personnel, Department of the Navy, Washington 25, D. S.

Did you hear? What one small town newspaper said of a little liked politico? "God Bless our Chief. He can't call for him too soon."

'nuff said

USE OUR CONVENIENT SIDEWALK WINDOW

An Open Letter . . . Public Announcement . . .

Dear Friends:

We cordially invite you to attend our opening of offices, located at 950 Main St., Antioch, the former home of the Antioch Savings & Loan Assn. Our phone number is 395-0012.

Our new business in your town is to be known as "The Vision Center", and we are looking forward to meeting as many of you as possible, who would care to come in and get acquainted.

We will be holding "Open House" for the next two weeks. Coffee and refreshments will be served.

We will be looking forward to serving the visual needs and welfare of the people in this area.

Comprehensive eye examination, visual analysis, and a complete selection of optical frames, reflecting all that is new and becoming in fashionable eyewear will be our main goal of business: in what we will be striving everyday to provide for you, in looking after your visual needs, in the future, and will assure your visual comfort and satisfaction.

May we have the opportunity of serving you?

Sincerely Yours,

DR. S. L. MEREL, O.D.
Optometrist

P.S. — We also fit Contact Lenses. Contact Lenses, as you know, are almost completely invisible when worn on the eyes, and afford one a natural appearance, in addition to their main function of correcting defects of vision, without the aid of glasses.

ALL ABOUT BABIES

A Public Service of the National Baby Care Council

THE TWO-YEAR OLD

By William Kitay

Editor, All About Babies

A happy birthday to us, this column marks the second birthday of "All About Babies" and like any two-year-old we feel good about it.

We've survived the frustrations of infancy, the aimlessness of the crawling stage and the unsteadiness of the toddling stage. Now, we feel, we're practically grown up.

That during this time some 8-million babies grew up with us, pleases us no end. That we may have, in some small way, made it easier for these babies to reach the age of two—the end of the road of babyhood—makes us humble and proud and thankful to this newspaper for carrying weekly feature.

For, after all, being two is really an important event in the life of a baby. From this point on, a baby is no longer a baby but a child.

Dr. Wilbur Davidson of the Duke University Medical School points out that at two, some babies know about 300 words and some are able to make two or three-word sentences. Dr. E. H. Watson of the University of Michigan Medical School says that at two, some babies are able to use pronouns and discard jargon or gibberish. Both these well known pediatricians agree that many perfectly normal two-year-olds do not do all of these things. Speech may develop late in some children and a delay in talking need not cause alarm, if a child seems to be otherwise developing properly. Parents who may have any question about this or about any other special part of their child's development, should discuss the matter with their physician.

Dr. Davidson tells us the average two-year-old should be able to: run, kick a large ball, build a tower of four to six blocks, hold a glass with one hand, hunt for missing toys, turn pages one at a time, distinguish between "mine" and "yours," pout, dawdle, execute simple commands, imitate simple movements, repeat words and select a bright-colored object placed among dull-colored ones of the same size and shape.

To this, Dr. Watson adds: Goes up and down stairs alone, pulls on a simple garment, refers to self by name and plays with domestic mimicry. Generally, at the age of two a child also shows an improvement in his emotions. He tends to be less violent, shows pride in accomplishment and can be coy in his actions.

One of the most fascinating things about a baby when he reaches the age of two is that you can pretty well tell his future growth and character patterns. You actually see the person he'll grow up to be.

TRAFFIC SAFETY RULES

Many safe driving rules are ignored by accident rather than by design, but the resulting accident can be just as fatal. According to the Institute for Safer Living, motorists who deliberately ignore traffic safety rules are in the minority. Most drivers know rules and generally observe them but now and then they forget or grow lax. Remember that your first broken rule of driving safety could be your last.

Reserve program. His specialty was changed to Aviation Machinist's Mate for reciprocating engines, and, in 1953, for jet engines.
In 1957, he was awarded a gold watch and the Executive Officer's trophy for dedication to the reserve program and again in 1958 for his recruiting efforts. In over 16 years as a reserve, Chief Garey has a perfect attendance record.
Garey was married to Maithild Symoons in 1951. They have one son, Daniel, an Air Controlman Third Class who has just finished three years of active duty with the fleet. Mrs. Garey is now employed at Beau-Vue in Bristol.
Garey opened his automotive shop south of Antioch in November of 1962.

Antioch Garden Club Meets Sept. 23
The Garden Club will hold their meeting this month on Monday, Sept. 23, in the new community room of the Antioch Savings & Loan Co. at 425 West Lake St.

Mrs. Bruce Leiter of Gurnee will talk to the group on "Organic Gardening."

Mrs. Edward Dompke and Mrs. Lloyd Leable will be hostesses for the meeting.

ACCIDENT VICTIM RECOVERING
Jane Anderson, injured in an automobile accident, is much improved, according to her father, Don Anderson. She has a long hospitalization ahead of her, he reports, and is suffering from many cracked bones, but is improving steadily.

"I can't seem to keep the same boyfriend," complained the teenage girl. "I've gone steady three times in sixteen days."

Gas heat must be best!

The overwhelming preference for gas heat by home buyers in the area we serve establishes beyond question that no other type of heating gives so much satisfaction. No other type of heating is cleaner, or offers greater comfort and convenience—for anywhere near the low cost of gas heat.

The simple facts are these:

● Gas heat saves you money. It's your biggest heating bargain. In fact, other types of heat can cost up to 3½ times as much!

● Gas heat is more convenient. Proper balancing of the distribution system and the setting of a single thermostat are all you need with gas heat. Set it, and forget it—no need for "polishing" individual thermostats, room by room.

● Gas heat is more comfortable. Gas heat gives you the gentle circulation of fresh, healthful, humidified air; plus filtered cleanliness and speedy response to your desires for a change of temperature.

Special Northern Illinois Gas Company Plaid Stamp offer for owners of homes without gas heat

Change to money-saving gas heat now—get the finest in automatic comfort—and receive 10,000 Plaid Stamps in the bargain!

Your Heating Contractor has an exciting catalog of choice Plaid Stamp merchandise items. See him right away. Get set to enjoy wonderful, economical gas heat—and the Plaid Stamp bonus.

Topics for Today's Women

Many At Church Dedication Sunday

Christ Lutheran Lutheran Church of Salem was dedicated last Sunday by the Rev. Herbert Hanson, executive assistant to the district President of the Southern Wisconsin District of the American Lutheran Church. The district official also installed the Rev. Alvin Pinke as resident pastor.

In his message, Rev. Hanson pointed out to the congregation that filled the church was not erected, nor the pastor called to give an air of respectability to the community, but to serve God and the spiritual need of the people.

Women of the church served a dinner to the guest speakers, the architect and his wife, John D. Holland of Deerfield, the general contractor, Charles Yandre and his family, and the Rev. Pinke and family.

The parsonage was dedicated at 2:30 p.m. by Dr. Lawrence Siersbeck of St. Mary's Lutheran of Kenosha. Dr. Siersbeck spoke of his recent trip to Finland and Russia, where he had seen a church being used as a fish market, with weeds overrunning the cemetery.

The dedication and the coffee hour were both attended by many people.

The structure which was dedicated Sunday represents the first unit of the church, planned so that it can be readily enlarged. The chapel seats 225. The building also includes two offices, two washrooms and a multi-purpose room 30 feet by 30 feet which can be used for Sunday school, meetings, etc.

Legion Auxiliary News

On Friday, September 13th the Antioch American Legion Auxiliary Unit held their first meeting under the leadership of the new president, Mrs. Lucy Himes. Mrs. Himes gave a report of the Department Convention, which she attended as a delegate.

It was voted to subscribe to the National Legislative Bulletin, which is sent to the Unit's Legislative Chairman. She, in turn, tells the Unit of various important bills that are pending in Congress, etc. There was a discussion of the Salad Bar Luncheon Card Party to be held on September 18th at the Legion Hall. Mrs. John W. Horan, Jr., Mrs. Richard Radke, Mrs. Lucy Himes and Mrs. Herman Rehberg were the hostesses.

Ladies Enjoy Wig Style Show

By Pearl Kapell
Wigs are fun. If proof of this was needed, you could find it in the enthusiastic audience that viewed the style show of wigs put on by the Women of the Moose last Wednesday.

Dale's Beauty Shop in the Linden Plaza at Lindenhurst supplied the wigs, and the beautician who styled them and helped the ladies don them.

Nine wigs were shown, in various colors and styles. From pink champagne and ash blond, through more sedate browns to a saucy red-head — each one was someone's favorite.

It was a toss-up who had the most fun — the ladies who wore them or those who viewed them. But the response was so enthusiastic that a repeat show will be given in the evening in about two weeks. This will give those who couldn't attend the luncheon show a chance to view the wigs.

The wigs shown were priced at about \$60.00, according to Dale Kelemen, the beautician showing them. They can be styled to fit your individual taste, or the occasion. The wigs shown were part human hair, part artificial.

The public is invited to the next wig-showing on Sept. 27 at the Moose Hall. It will be an evening affair, with a dance following. The Twilights will furnish the music.

Announce Wedding Plans

Lois Wohlfell

Mr. and Mrs. Melvin J. Wohlfell, 136 Bluff Drive, Antioch, announce the engagement of their daughter, Lois, to Mr. Philip E. Kettner, son of Mr. and Mrs. Philip B. Kettner, 3037 21st Place, North Chicago, Ill.

The wedding will take place on November 16 at St. Peter's Church in Antioch.

Miss Wohlfell is a graduate of Antioch High School and works at Abbott Laboratories in Waukegan. Mr. Kettner is a graduate of Waukegan Township High School and is now employed at Kraus Sheet Metal in North Chicago.

Grass Lake PTA

The Grass Lake PTA held its first fall meeting on Monday, Sept. 16, with a pot luck supper.

The room count was won by Mrs. Sue Barrett's fourth grade.

Principal speaker of the evening was Mrs. Grady, Lake County Health Nurse, who spoke about the T. B. program in the schools.

William Stewart, the new principal, was introduced to the members and gave a short speech.

Mrs. K. Schaefer discussed the need for a cub scout leader for Pack 80. The charter cannot be renewed unless a leader is found.

Mrs. Ingrid Hawkins and the 8th grade room mothers served the refreshments.

THESE LADIES modeled some of the wigs shown at the Moose luncheon and Wig Style show. Left to right, Geri Good, Pat Wagner, Ann Stickler, Mae Palmer and Evelyn Miller.

JAN MALESKE, Harriet Grewe, Jane Meyer and Geraldine Marks model wigs for the Moose Wig Style Show.

Rebuild Where Home Burned

The memory of the calamity of the fire which left their family homeless faded into the past for Sophie and Dan Radakovic last week as numerous friends gathered for a housewarming at their new home.

The Radakovic home in Felter's Subdivision was destroyed by fire on January 31, 1963. They had lived there for nine years.

They rebuilt their home on the same site. And last week their friends gathered to wish them well in their new home.

Among those present were Mrs. Ida Lokke, Mr. and Mrs. A. Moore, Mrs. L. Leinke, Mr. and Mrs. P. Roekie, Mr. and Mrs. R. Pichaly, Mrs. Marguerite Hook, Mrs. Anne Prielhard, Mr. and Mrs. W. Gras, Mr. and Mrs. T. Seisser, Mr. James Horan, Mr. and Mrs. M. Turner, Mr. E. O'Brien, Mr. and Mrs. E. Serres, Mr. K. McNeal, Mrs. Frances Anderson, Warren Heinz, Hans Hoffman, Mrs. Fred Larson, Miss Karen McNeal and Mr. and Mrs. A. Coffey.

PTA Hears Doctor Discuss Vaccines

About 200 persons attended the PTA meeting at the Antioch Grade School Monday night, Sept. 16.

The board of officers was introduced by Mrs. Walker Lyons, PTA president. Superintendent Richard Whitacre introduced the guests of honor for the evening — the teachers, board of education and personnel of the school.

Dr. and Mrs. W. C. Petty were also honored guests.

Mrs. David Nissen, PTA vice president, introduced Dr. James Kopriva, who spoke about the Antioch Grade School immunization program, sponsored by the PTA. Dr. Kopriva reminded the audience that all residents of Lake County should take advantage of the Sabin Oral Polio vaccine program, which will be held sometime in October and again in December.

Mrs. Ray Toft won a sports jacket donated by Lyons and Ryan Ford Sales, when her name was drawn from the new members.

Hostesses for the evening were the Mesdames Laddie Masek, Daniel Mac Hanes, George Olisar and John Price, eighth grade room mothers. Music by Lee of Lee's Music Studio was enjoyed during refreshments. Autumn decorations were made by Mr. Hill's special education class.

Order of Rainbow for Girls

The Antioch Assembly, Order of Rainbow for Girls, will meet on Monday, September 23, at 7 p.m. at the Masonic Temple. Susan Lindblad will be acting Worthy Advisor.

At the last meeting election was held and Karen Jennrich was elected to serve a Faith. Susan Lindblad announced her installation date which will be on Saturday, Sept. 28 at Wesley Hall, Methodist Church. Mrs. W. B. Gillum and daughter Juanita will be in charge of refreshments.

Saturday evening Mrs. William Gibbs, M. A. accompanied Thelma Wells, G.W.A.A., and several girls to Bloomington-Normal Assembly to attend the official visit of the G.W.A.A. Helen Doyle Palmer, Saturday-Sept. 21st Antioch will visit the Rockford Assembly also for the official visit of Helen Doyle. Girls should contact Mrs. Gibbs if they would like to go.

GOLDEN ANNIVERSARY

By Mrs. Bernice Bernau

Mr. and Mrs. George Barren of Lindenhurst, observed their golden wedding anniversary September 7, but their children have planned a large celebration for them on September 22, at the Old Prague in Cicero. Many of their friends and relatives are expected to be there.

A Mass was said at St. Mary of Good Council Church, Western and Walton in Chicago, where they were married. Mrs. Barren was born and raised in that neighborhood, went to school and made her first communion and confirmation there.

The Barrens have two daughters and two sons, ten grandsons, one granddaughter and two great-grandsons. Their older daughter, Mrs. Julius (Ella) Pelzman has two sons: George and Terry. Mrs. Richard (Mildred) Archer has three sons and a daughter, Richard, Charles, David and Lorraine. Their son, Louis, lives in Chicago, but lives here weekends. His wife, Irene lives in Boston with their children, James and Donnie. Their younger son, George, lives in Chicago with his wife, Lenore, and their boys, Kenny, Tommy and Nicky. The great-grandchildren are Philip and Mark Pelzman, sons of George.

The Barrens have lived in Lindenhurst almost nine years. Mr. Barren worked for the Chicago, Western and Indiana Railroad for 44 years as a machinist. He retired in 1957.

Mrs. Barren's sisters, Mrs. Marie Kimm and Mrs. Rudolph (Rose) Brozik were two of her bridesmaids. They will be at the anniversary celebration. Another sister, Mrs. Julia Kohout, has passed away.

"Where The Boys Are—"

Airman Richard E. Endean, Jr.

Lackland AFB, Tex. — Airman Richard E. Endean Jr., whose parents reside at 608 N. Main St., Antioch, Ill., is being reassigned to Sheppard AFB, Tex., for technical training as a United States Air Force communications operations specialist.

Airman Endean, who enlisted in the Air Force a short time ago, has completed his initial basic military training here.

He is a 1963 graduate of St. Joseph's High School at Kenosha, Wis.

GREAT LAKES, Ill. (PTT NC)—Raymond L. Schaefer, 23, son of Mr. Louis N. Schaefer of 1019 Main St., Antioch, Ill., is undergoing nine weeks basic training at the Naval Training Center, Great Lakes.

The training includes naval orientation, history and organization; military law; seamanship and shipboard routine; ordnance, gunnery and damage control; sentry duty and military drill; physical fitness; swimming, first aid and survival.

Will Talk To Future Teachers

Mr. Edward Ball and Miss Rosalie Ward, admissions counselors at National College of Education, Evanston, Illinois, will visit Antioch Community High School, Antioch, Illinois, on Wednesday, September 25, at 3:15 p.m.

They will discuss with students the advantages of an elementary teaching career and the current nationwide shortage of 100,000 elementary teachers.

MOOSE TOPICS

Ed Zeebec, Arthur Andersen and wife attended the Third District meeting and election last Thursday night at the Zion Benton Moose Home. Paul Nelson of Zion was re-elected Third District Vice President. 25 prizes were awarded to Conservation workers in the re-enrollment of members.

The next Moose convention will be held at Peoria, Ill., on Sept. 21, 22, and 23rd.

Antioch Moose Lodge golfers are being urged to attend the Third District golf tournament at the Carey Country Club at Carey, Illinois, on Sunday, October 6, 1963. A dinner will be served at the Crystal Lake Moose Home, following the golf tournament.

Tells of Japan

The Rev. Richard A. Poetter, 4022 Ishikawa-cho, Mito City, Japan, will be in Antioch September 20.

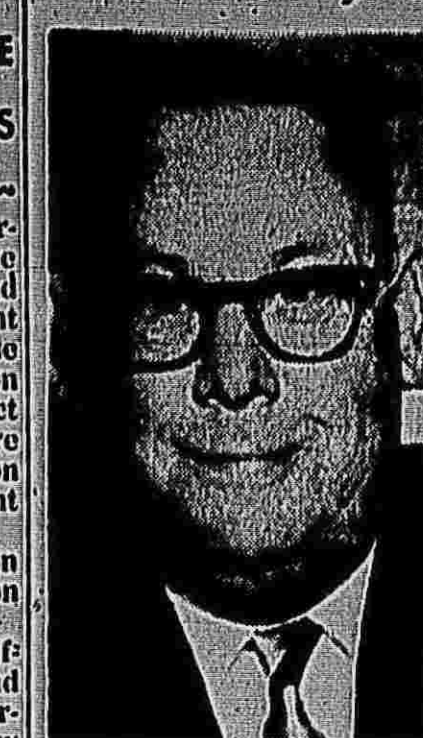

Rev. Poetter, a member of the Christian Evangelical Lutheran Church of Japan, which is affiliated with the Wisconsin Evangelical Lutheran Synod, will give an illustrated lecture, showing how the gospel of Christ Jesus is being brought to the Japanese people. The lecture will be delivered at Faith Evangelical and will begin at 7:30 p.m.

Rev. Poetter is a native of Wisconsin. He has lived among the Japanese for the past six years. At the present time he is on furlough from the Christian Evangelical Lutheran Church of Japan and by means of sermons and lectures is informing the members of the Wisconsin Evangelical Lutheran Synod about the mission work which they support in Japan. Rev. Poetter will be returning to Japan in the middle of 1964.

Plan Hawaiian Trip

Mr. and Mrs. Roy Kufalk leave for Hawaii on October 2 to attend the Postmaster's Convention.

Wagner Feted On Birthday

John Wagner

Forty-four Ill. Bell workers and their wives surprised John Wagner on his 60th birthday Sunday by bringing a pot luck dinner and refreshments to the Wagner home.

The weather man was cooperative and furnished a beautiful day, so tables were set up on the lawn for dinner.

Another surprise for John was the serving of an eleven pound, 33" Northern Pike he had caught two weeks earlier and given to a friend. The friend stuffed and baked it for the party.

John was overwhelmed and all agreed the party was a great success.

The Wagners are leaving Antioch the first of October.

Campus News

Baltimore — Allan David Jensen of Antioch, Ill., has been admitted to the School of Medicine at the Johns Hopkins University for the 1963-64 term and will begin studies here Sept. 26 in the Hopkins' revised five-year program.

Jensen, son of Mr. and Mrs. Jens Jensen, Rt. 5, began his undergraduate work at the University of Rochester. At Hopkins he will be in a class of 23, chosen from 154 applicants.

THE ANTIOCH NEWS

THURS., SEPTEMBER 19, 1963

Red Cross to Start Gray Ladies Unit

The Red Cross would like to start a Gray Ladies Unit for Downey Hospital in Antioch.

Training for the Unit will start early in October. Anyone who is interested can call Mrs. Edith Elms at 395-2090 or Red Cross Headquarters in Waukegan.

Gray Ladies provide many of the little services and comforts to patients for which the nurses can't find time, such as reading to patients, writing letters for them, etc. Many also provide transportation service.

ATTACHE 19" MODEL P-3000

Inside Antioch High

By Marilyn Gras

Last Friday night the Varsity team won their first football game of the season. They beat Salem Central by the score of 7 to 0. The Sequoias scored their first touchdown on a first quarter pass play from Wally Fleming to Bernie Smith.

This Saturday the Sequoias will face the Grayslake Rams in an afternoon game at Grayslake. This will be the first conference game for both teams. The Freshmen squads will play each other Saturday morning.

Last Monday freshmen and sophomores selected the Junior Varsity and Freshmen squad cheerleaders. Girls chosen for the JV squad are sophomores Mary Kay Motley, Janet Sheehy, Carol DeSommer, and Ruth Dyer and freshmen Candy Bontel and Gloria Burns.

Last week the members of the Swing Choir were chosen. The size of the Swing Choir this year has been increased to thirteen. Members of it are Leslie Beese, Gretchen Cardwell, Rose Mary Frank, Sue Bushnell, Alice Bechtel, Betty Frank, and Sandy Pederson. The boys who were chosen are Gary Stahl, John D. Horton, Dean Dowell, Bill Sermon, Lloyd Pedersen, and Wayne Sobczak.

The Student Council is already organizing for the Homecoming Celebration on October 12. It has chosen as the Homecoming theme "War Paint and Spirit." President of the council this year is Jerry Berke.

Scout News

Today more than half of the 450 Girl Scouts in the Sequoyah Neighborhood own a new Girl Scout Handbook. The handbooks went on sale for the first time a week ago in the official Girl Scout equipment agencies serving North Lake County and in bookmobiles in Lindenhurst and Libertyville.

"We feel that the sale of so many handbooks during this first week shows how eager our troops are to get started with the new design for Girl Scouting — one program in four age levels," says Mrs. W. H. McCleod, Council president.

In addition to the bookmobiles, special events during the week included an informative and impressive program held at the Antioch Grade School on Sunday, September 8. After the colors were presented by Senior Scout Virginia White, Troop 2, Cadette Scout Susan Sedive, Troop 110, Junior Scout Alana Nelson, Troop 211 and Brownie Scout Linda Corey, Troop 177, Mrs. George Sedive, Neighborhood Chairman welcomed the parents, friends and scouts to the program. She then thanked Mrs. W. Beattie and Mrs. E. Surrock, program co-chairman, for their efforts in making the program one which all would enjoy as well as learn about scouting.

Since no girl scout gathering is without singing, Mrs. Alice Johnson led the audience in "Girl Scouts Together." Afterwards the scouts themselves sang "G For Generosity." The film "This Is Girl Scouting" was then shown to the audience.

The official part of the program commenced with the introduction of Mrs. W. H. McCleod, Lakeview Council President. Mrs. McCleod explained the reasons for the change to four age-levels in scouting and the outlook for the local Girl Scout program in North Lake County. The "change-over" ceremony was performed by Senior Girl Scout Mary Sorenson, Troop 261, Cadette Girl Scout Donna Yopp, Troop 201, Junior Girl Scout Terry Stewart, Troop 124, and a new Brownie Girl Scout Barbara Wells. Each girl was asked if she was willing to participate in the new Girl Scout program, received a new handbook for her own age-level, and repeated her Girl Scout Promise. Mrs. McCleod then stated, "The 450 girls of the Sequoyah Neighborhood have now participated in program change and will begin their new design in Girl Scouting."

The four representative scouts answered by giving the Girl Scout Salute and saying, "We are proud to be Girl Scouts, we hope you are proud of us too." The Colors were removed by the color

Seventy-two administrators from 17 schools attended the fifth annual Educator's Camp Oct. 6-8, sponsored by the Loyal Order of Moose at Mooseheart Camp near Mt. Morris. Among those present were: left to right, seated A. L. Dittman, Principal of Antioch High School; Ray Page, State Supt. of Public Instruction;

Walter H. Katz, Supt. of Mooseheart, who served as host; Robert H. Hanks, Asst. Supt. of Mooseheart; Standing, Lawrence Rouse, Principal of Grayslake High School; Dr. Robert McConnell, a Supervisor for the Dept. of Public Instruction and Warren Polley, Asst. Principal of Antioch High School.

Lindenhurst News

Mrs. Bernice Barnau
Phone Elliot 6-5649

Harry Toben, Lindenhurst, was elected president of the Lake Villa Township Baseball Organization at last week's meeting. Peter Schmeisser of Terry Drive in Venetian Village was elected secretary and Tom Woeleke of Round Lake Park was elected treasurer.

Slako Stokovich, who runs the Lake Villa Nursing Home, has given the organization permission to use the land in back of Riiga's Funeral Home on Milwaukee Avenue, for another field. This will enable the Pony League to have their own field and the Little League their own. In the past, both leagues have been using the Clark Field down Oak Knoll Drive in Lake Villa.

Baseball meetings will be held the first Thursday of every month at the VFW Post in Lake Villa, starting at 7:30 p.m.

Report of Women's Club Meeting
Quite a bit was accomplished at Thursday night's meeting of the Lindenhurst Women's Club.

A Halloween Dance given by both the Men's and Women's Club on November 2, has Evelyn Lazansky, Peggy Kary, Jeanette Piefer and Mary Jeanne Ploss on the committee.

The Pot Luck supper for members only at the December meeting has Helen Gurski, Evelyn Lazansky, Mary Zaneck and Esther LaChance on that committee.

Enthusiastic about serving on the Christmas Party committee for the members children are Nancy Klefner, Lois Flanagan, Pat Mauck, Marie Anderson and Helen Mylinski.

Since only a few people phoned to make reservations for the Sept. 28 Dinner Dance, the affair has been cancelled. In its place, there will be a party for the members and their husbands.

The club donated \$300.00 to the Civic Center Fund to finish off the kitchen. It will be enlarged, and a new sink and cabinets will be installed.

The Women's Club and the Men's Club will share the cost of the Civic Centers rental, when the Countryside Hospital committee decides to use the center, whether it be for one day a year for three years, or for three days in just one year.

Dorothy Verdick reported that \$14,088.66 had been made by the Co-operative Women's Clubs for the Countryside Hospital through the various affairs they have run the past few years. The money will be used to purchase a nurses quarters and three nurses stations in the Clubs name.

Pat Parpan spoke to the ladies about the newly organized Boy's Club and asked for ladies to volunteer their time from 3 to 6 p.m. If enough mother's will offer their services, it will not be necessary for anyone to work more than twice a year. If

guard and the program was closed.

Mrs. George Derderian was in charge of the display of Girl Scout equipment and handbooks supplied by Mari Anne's in Antioch.

you can help put on a Thursday or Friday, give Pat a call. Erlene Pearce announced that the Mother's Auxiliary to the Boy Scouts of Troop 84 is sponsoring a Card Party at the Lindenhurst Civic Center on Monday October 21 at 8 p.m. They are trying to raise funds to purchase equipment for the boys.

Thirty-three members and three guests were present. Guests were Joyce Beattie, Nancy DiGiovanni and Dolores Povillatis. Mrs. Povillatis joined before the evening was over.

Erickson's Sewing Center in Antioch will demonstrate how to make gifts for Christmas at the October 10 meeting. And that "Culligan Man" will show a film "How they Choose Miss America" at the November meeting. Mark your calendar.

Giant Cuke
Reading about Ronald Shearer of Round Lake Beach 12½" cukes prompted Johnny Spiegler to contact your correspondent and show me the 14" cuke that he grew in his garden. Johnny's cucumber weighed almost three and a half pounds and had a girth measure of 12½". Johnny didn't think anything of his cucumbers being out of the ordinary, because almost all he grew this year were at least 12" long, which his neighbors will affirm since they got to eat them.

John 19, is going into his second year at Northern Illinois University, in DeKalb, Ill. His father turned the soil and planted the seeds but John took care of the weeding when he got out of school. He is the son of Mr. and Mrs. Earl Spiegler of 62 N. Fairfield Rd. in the unincorporated section of Lindenhurst.

Garden Club News
Mary Lohrillo, Marge Fabry, Mary Shore and Robert Hazel got up early one morning last week and weeded the flower gardens in Linden Plaza. In appreciation, John Stove gave the ladies hot coffee and sweet rolls.

The ladies voted to donate \$10.00 a year to the Countryside Hospital Fund for three years.

Guests were Mrs. Anne Seiler and Mrs. Martha Maxwell. The ladies were happy to have Helen Skelton back as a member again. She had dropped out for a couple of years.

It's A Girl
Mr. and Mrs. Ronald Dr. of 1710 E. Hazelwood Rd. are the parents of a little girl born Friday, September 13. Bridgette weighed 7 pounds, 4 ounces when she made her debut at Victory Memorial Hospital. Waiting to welcome their little sister are Rhonda G. and Terry S.

Square Dance
The Fox Lake Lions Club is sponsoring an Old Fashioned Square Dance and Box Social, Saturday, Sept. 28, in the Fox Lake Lions Club Bldg. Proceeds are for the benefit of the Grant High Lions Scholarship Fund.

Dance
Now is your chance to help the Lake Villa Rescue Squad, Saturday night, Sept. 21, they are sponsoring a dance at the Lindenhurst Civic Center, starting at 9 p.m. You are invited to "Come as you are" and "Pay what you want".

September Birthdays
Several of our neighbors had or will be having birth-

Church Sponsors Golf Outing

St. Peter of Antioch Holy Name Society will sponsor a golf outing and dinner on Sunday, October 13th at the Hunter Country Club, Richmond, Illinois. Reservations for dinner must be in a week ahead. Co-chairmen, Richard Daniel 395-3749 and Richard Mahal 395-2093 will be glad to accommodate you.

days this month. Best wishes to Irene Plouviez, Jimmy Crutchfield, Mike Fidanzo, Floyd Stanley, Lee Ann Wright, Sarah White, Scott Gibbons, Nancy Kempksi, Kevin Kloppe, Jeannie Sue and Millie Caldwell, VI and baby Christopher Selzer, Michael and Debbie Gruszewski, Julia Pearson, Mary Kay Neumann, Debbie Sullivan, Bill Golden and Christine Rychlic.

Night Out
"The Gad-A-Bouts" and their husbands had dinner out Sunday and attended the Stagelight Theatre where they saw the play "Country Girl".

St. Mark Lutheran Church
Confirmation class is held on Saturday morning at 9:00 a.m. Nineteen boys and girls registered Saturday for the two-year course of study.

The Junior choir of sixteen boys and girls in third thru seventh grade sang for the first time at the 8:00 a.m. service Sunday morning. Mrs. Melvin Karau is the director and Mrs. Axel Swanson their accompanist. They practice Saturday mornings at 9:00 a.m.

Thirty-nine high school boys and girls attended the kick-off banquet held by the Luther League Sunday evening. Larry Hansen was installed as president of the League. Mark Nelson, vice president; Janice Miklausch, secretary; and Linnea Christensen, scribe. Pastor Harold Nelson installed the officers. Pastor and Mrs. Nelson and Miss Donna Shewan are the adult counselors.

The League meets the second and fourth Sunday of the month at 7:00 p.m. They also meet every Sunday morning at 9:15 for Bible Study. Any high school student is welcome to attend. The officers are planning interesting programs for the coming year.

First Baptist Church
Church - Wide Visitation, Thursday evening at 7:30 p.m.

Hymn Sing at Crystal Lake, Sunday September 22 at 2:30 p.m.

Tuesday, September 24, the Women Missionary Society will meet at the home of Mrs. Wilma Morgan, 2210 Briar Lane, Lindenhurst, at 7:30 p.m.

Prince of Peace Church
The Holy Name Society will sponsor a "Basket Picnic" next Sunday, on the Church grounds, starting after the 11:15 a.m. Mass. Games and races, starting at 2:00 p.m. have been arranged. All are invited to attend.

Pastor David Lynch is on his Annual Retreat at the Cardinal Stritch Retreat House in Mundelein, from last Monday to Friday of this week. For any emergency call, telephone the Rectory and a Priest will be sent.

Friday and Saturday of this week are Ember Days, they are Days of fast and abstinence. Meat is only allowed at the principal meal on Saturday.

DEATH NOTICES

JOSEPH J. WARD
Joseph J. Ward, 78 years old, of Channahon, Antioch, died Thurs., Sept. 12, 1963 at his home from an apparent heart attack. A retired carpenter, Mr. Ward was born July 13, 1887 in Chicago and had lived in Westmont, Ill. until moving here a year ago. He is survived by his wife, Lillian. Funeral services were held Monday at 3:00 p.m. from the Strang Funeral Home, Antioch. The Rev. Donald Cobb of the Antioch Methodist Church officiated. Interment was private.

DONALD A. SCHROEDER

Donald A. Schroeder, 25 years old of East Loon Lake Shores Subd., died Thurs., Sept. 12, 1963 in Passavant Memorial Hosp., Chicago, from injuries received while working as a lineman for the Northern Ill. Public Service Co., on Hwy. 173 near the Antioch Community High School, six days previous.

Mr. Schroeder was born in Chicago May 10, 1938 and lived there until moving with his parents to Loon Lake 17 years ago. He married Donna Mae Ballwanz March 22, 1958. He was employed by Public Service Co. of Northern Illinois for the past 6 years. He was a member of the Electrical Workers Union I.B.E.W. Local 1461 in Waukegan.

Survivors include his wife, Donna Mae; 2 sons, Scott and Craig, and 1 brother Russel at the home of his parents. Mr. and Mrs. Arthur Schroeder of Loon Lake who also survive and his maternal grandfather Henry Halsper of Antioch.

Services for Mr. Schroeder were held Monday afternoon at 1:00 p.m. at the Strang Funeral Home in Antioch with the Rev. L. H. Messersmith of the Millburn Congregational Church officiating. Burial was in Ridgewood cemetery, Des Plaines. Friends desiring may make contributions to a memorial fund set up in his name.

JOHN R. RUNYARD, SR.

John R. Runyard, Sr., 87, of Kenosha St., Richmond, died Thursday, September 12, in Highland Home for the Aged in Genoa City, Wis., after a six month illness. Mr. Runyard was born April 16, 1876 near Trevor, Wisconsin. He farmed all his life in the Antioch area, retiring in 1937. He was preceded in death by his wife, Alma, March 29, 1962, and a son, Melvin, in 1923.

Survivors include a son, J. Robert Runyard of Richmond; a daughter, Mrs. Roy (Ida) Kufalk of Antioch, two brothers, Fred and Arthur Runyard of Antioch; four grandchildren, Mrs. Donald Holem of Lake Villa, Robert Kufalk of Rockford, Kenneth Runyard of Richmond, and Mrs. Virginia Miller, also of Richmond, and seven great-grandchildren. Services were held for Mr. Runyard Saturday, September 14, at the Strang Funeral Home, Antioch, with the Rev. Harold Carlson of the Grace Lutheran Church of Richmond officiating. Burial was in Grass Lake Cemetery near Antioch.

IRVING A. FORSTER
Irving A. Forster, 73 years old, of 505 Orchard St., Antioch, passed away Saturday, September 14, 1963 at 6:05 a.m. in St. Teresa Hosp., Waukegan after a short illness.

Mr. Forster was born Sept. 14, 1890, in Chicago, living there until moving to Antioch 5 years ago. He had been spending summers here for the past 40 years. He married Mary Paddock of Antioch on June 18, 1919 in St. Peter's Church, Antioch. He was a member of St. Peter's Church and its Holy Name Society.

Mr. Forster was a Semi-retired pharmacist working part time at Myrants Pharmacy on Grand Ave. in Waukegan. Survivors include his wife, Mary Nee Paddock; 3 sons: Charles J., of Antioch; George A., Westmont, Ill. and Irving A., Jr., of Baltimore, Maryland; 1 daughter, Mrs. Edward (Marguerite) Warner of Antioch; 1 brother, A. W. Forster, Fort Lauderdale, Fla.; and 1 sister, Lillian Forster, of Antioch. 19 grandchildren also survive. Funeral services were held Monday, September 16, at 9:30 a.m. from the Strang Funeral Home, Antioch, to St. Peter's Church for a Requiem High Mass. Burial was in Mt. Carmel cemetery, Antioch.

Millburn News

By Mrs. Frank Edwards
Regular services at Millburn Congregational Church, Sunday, Sept. 22, Church and Sunday School at 10 a.m.

The Confirmation class will meet Sunday, Sept. 22, at the Church at 9:00 a.m. Children who will be 12 years of age by next June may enter the class.

The Devotional Study Group met at the home of Mrs. Gordon Wells last Thursday morning. The next meeting will be held at the home of Mrs. Garrett Trout, Thursday, Sept. 26, at 9:00 a.m.

Mr. and Mrs. Lewis Lohmeyer of Williamsport, Indiana and their daughter, Mrs. Lewellen Vorak of Trinidad, were over night guests of Mrs. Harley Clark, Saturday. On Sunday all of them enjoyed a pot-luck picnic dinner at the home of Mr. and Mrs. James Bonner at Kansasville, Wis.

Mr. and Mrs. John Edwards and daughters of Libertyville spent Sunday evening at the home of Mrs. Frank Edwards.

Mr. and Mrs. Frank Hauser were dinner guests at the home of Mr. and Mrs. Clarence Hauser of Paris Corners, Wednesday evening in honor of their daughter Doreen's 2nd birthday.

Mrs. Elsa Lotz of Chicago is visiting her daughter, Mrs. Herbert Messner.

Callers at the home of Mrs. Frank Edwards Sunday afternoon were Mr. and Mrs. Charles Kirsch and daughter, Cheryl and Mr. and Mrs. John Hoeckema and daughter Judy of Munster, Indiana and Mrs. Eva Alling of Waukegan.

Mr. and Mrs. Reuben Squire and family of Madison, Wis. were week-end guests at the home of Mr. and Mrs. Garrett Trout.

Mr. and Mrs. Clarence Hauser and daughter of Paris Corners were callers at the Frank Hauser home Sunday afternoon.

(written for Sept. 12)
The annual Sunday school promotion day will be held at the church service Sept. 15, at 10 a.m. Newly formed classes will go to their regular places next Sunday.

The 20th annual Millburn Home Sunday was held last Sunday (Sept. 8) with the Rev. James Smucker, Supt. of the Illinois Congregational and Christian Conference was the guest speaker. About 180 persons enjoyed the pot-luck dinner after the service.

The Devotional Study Group will meet Thursday, Sept. 12, at the home of Mrs. Gordon Wells of Hickory.

Mrs. Harley Clark and son, Glen, were supper guests at the home of Mr. and Mrs. Walter Fontaine of Gurnee, Sunday evening.

Miss Margaret Paulsen of Evanston School of Nursing is enjoying a month's vacation with her parents, Mr. and Mrs. William Paulsen.

John Edwards of Libertyville spent Saturday afternoon at the home of Mrs. Frank Edwards.

Mr. and Mrs. Herbert Messner and son of Druce Lake, Mr. and Mrs. George Butler and the Walter Messner family of Rock Lake were

Red Cross.....

(continued from page 1)

In Sweden and Holland are sponsoring VIG blood collection programs, proving VIG now has an international reputation.

Cecil Spencer, Great Lakes Red Cross Field Director, commenting on the drive Saturday, said:

"What recruits did here Saturday may mean the difference between blindness and sight, or life and death to a patient somewhere in the United States. It might be the hometown. A large number of children make up the patient load using VIG, and for this special reason, I'm more than normally concerned. To me, this is a real opportunity for people to help people, something Americans have always believed in."

Grant High News Notes

The Grant High School GAA held their first group meeting in the form of a picnic Sept. 5. The meeting was not exclusively a social affair. The officers, President, Karen Lumber; vice president, Marilyn Edwards; Secretary, Jeannie Conrad; Treasurer, Cheryl Colson; Point Secretary, Karen Leuthner, and Sgt.-at-arms, Jan Gardener took time to formulate plans for the activities for the coming year. Plans were made for compiling the Buzz Book, a student directory, weekly Thursday night meetings, a Sadie Hawkins Dance, the Homecoming Float and a Mother-daughter banquet.

Sisters Pat and Jeannie Conrad also reported on the Leadership Camp which they attended as representatives of the Grant organization. The camp was held at Williams Bay, Wisconsin.

Representatives of many GAA groups from the northern part of Illinois attended the camp in order to exchange ideas and compare club rules with the hope of bettering the workings of all.

The club will soon be open to receive new members. Miss Carol Aemisegger, sponsor of the group, expects a larger membership and a more complete calendar of activities than in any previous year.

The Grant High School Student Council, under the sponsorship of John Schad, began the busy schedule of activities on September 6 when they welcomed the freshman students at a dance and reception.

This year the council will be led by President, Warren Nielsen; vice-president, Edward Cain; Secretary, Mary Ream; and Treasurer, Patrick Roach. Among the projects for the year are the administration of the Elmer C. Rich scholarship fund, Student Government Day, a series of educational and cultural assemblies and their usual function of presenting student suggestions and opinions to the faculty and administration.

dinner guests of Mrs. Herbert Messner, Sr., Sunday.

Mr. and Mrs. Arthur Hauser and family of Kenosha, Wis., were supper guests of Mr. and Mrs. Hauser, Monday evening.

THE ANTIOCH NEWS 5 THURSDAY, SEPTEMBER 19, 1963

Royal Neighbors To Meet at Wesley Hall

The Royal Neighbors of America Lake County Convention dinner will be held in Wesley Hall at the Antioch Methodist Church at 5:30 p.m. on Sept. 24.

The meeting of the Royal Neighbors will also be held in Wesley Hall, after the dinner, at 7:30 p.m., rather than at the American Legion Hall, as previously planned.

Lake Villa News

By Mrs. Fred Bartlett
Lake Villa 336-3372
(written for Sept. 12)

Honored at Party
Mr. and Mrs. Clarence Blumenschein were honored at a party Sunday at the Lake Villa VFW Hall in observance of their 50th wedding anniversary. About 180 friends and relatives were present, coming from Dixon, Waukegan, Lake Villa, Rockford, Wisconsin and other communities, also from California. A buffet dinner was served. The couple received many beautiful gifts.

Joins Army, and Returns From Leave
Roger Dewar, son of Mr. and Mrs. Russell Dewar, left September 3rd, for the Army and will be stationed at Fort Knox, Kentucky. All his friends and relatives wish Roger the best of luck.

Bernie Ray Schneider left Thursday from O'Hare Airport to fly to Texas to resume further training in the Army. He was recently stationed at Fort Knox, Kentucky.

He is the son of Mr. and Mrs. Bernard Schneider.

Visitors
Mr. and Mrs. Warren Moyle of Waukegan, Wis., were visitors last Saturday at the home of Mr. and Mrs. Robert Kammein.

Mr. and Mrs. George Walkanoff of North Chicago were visitors Sunday at the home of Mr. and Mrs. Fred Bartlett, Sr.

Mr. and Mrs. Robert Peterson and family of Racine, Wis., were visitors last Sunday at the home of Mr. and Mrs. Robert Kammein.

Mr. and Mrs. Stanley Hollis of Waukegan were visitors Saturday at the home of Mr. and Mrs. Fred Bartlett, Jr.

Mr. and Mrs. Bert Galiger returned recently from a Canada vacation, also stopping at other places of interest on the way home.

Mr. and Mrs. Henry Jarvis and family attended the corn roast held at Galena, Ill., recently. They also stopped at Dubuque, Iowa.

Mr. and Mrs. Henry Jarvis and family were visitors Sunday at the home of Mr. and Mrs. Louis Williams of Bristol, Wis. They also visited other relatives on the way home.

Mrs. Julia Gulfo and Miss Ann Brockton of Libertyville and Miss Elsie LaForge of Chicago were visitors recently at the home of Mr. and Mrs. Henry Jarvis.

Mrs. Pete Velkovich spent Monday in Chicago on business.

Mr. and Mrs. Pete Velkovich entertained relatives over the weekend.

Mary Kay Jarvis spent the weekend with her parents, Mr. and Mrs. Henry Jarvis. She is a nurse at St. Therese hospital in Waukegan.

Norman and Everett Nelson of North Chicago were visitors Labor Day at the St. Bartlett's home.

Attend College
Miss Theresa Velkovich will leave next week to resume her studies at Marquette University at Milwaukee, Wis.

About ten families enjoyed a picnic at Fox River Grove on Labor Day. Some who attended were Mr. and Mrs. William Simonsen and son, Mr. and Mrs. Victor Simonsen and family, Mr. and Mrs. Nick Miller and family, Mr. and Mrs. Al Simonsen and family, Mr. and Mrs. Fred Bartlett, Jr. and family, and several other families.

The Lake Villa American Legion Auxiliary will meet Thursday, Sept. 12, at 8 p.m. at the home of Mrs. Fred Bartlett, Sr., at 215 Grand Ave.

Towing a Boat Trailer
Here are a few tips from the Outboard Boating Club of America on driving with a boat trailer in tow: Swing wide when passing and make sure that the road ahead is clear of oncoming vehicles. At crossings, make extra wide turns to clear high curbs after signaling to warn other drivers. Use an outside rear view mirror, since the boat's bulk may make inside types impractical. Give yourself plenty of room to make a smooth stop, enough to make up for the added momentum caused by the weight of a loaded trailer. In backing, remember to turn your steering wheel opposite to the direction you want the rear of the trailer to go.

Many single girls, and especially teenagers, like to look on the bride side of life.

ACCESSORY AFTER THE FACT
If you want your children to get a good education today, you have to pull a few wires. On the TV, the radio, and the hi-fi.—The Brooks (Alta.) Bulletin.

Q. An Indiana resident asks: "Is it possible to take several examinations?"
A. Certain examinations currently being offered on a continuous basis are open to non-residents. It is possible to participate in many of these State Merit examinations depending upon your qualifications and interests.

Q. A Mount Vernon resident asks: "I have heard that the Dixon State School is offering a Licensed Practical Nurse course which affords an opportunity to secure training along with salaried employment. Would you please instruct me in how I go about registering for such a course?"
A. For information regarding the practical nurse training program at Dixon State School, you may contact the Illinois Department of Mental Health, 405 State Office Building, Springfield.

Q. An Elgin resident writes: "I am seeking information as to where and to whom one applies for a teacher's certificate on a provisional basis in the State of Illinois, also the credit requirements."
A. For information regarding the requirements in obtaining an Illinois Teacher's Certificate you may contact the Office of the Superintendent of Public Instruction, State Teacher Certification Board, 105 State Office Building, Springfield.

Q. A California resident writes: "I understand there is a new prison being built at Marion, Ill., and I was wondering if I could apply for an application as prison guard there."
A. The new penitentiary located at Marion is under federal jurisdiction. For information regarding employment opportunities it is suggested that you contact the United States Civil Service Commission, Region 7, New Post Office Building, Chicago.

Q. A Bluffs resident writes: "In making plans to take the examination for Public Aid Caseworker I would greatly appreciate knowing approximately the length of time necessary to complete the examination."
A. The Public Aid Caseworker I examination is not a timed test. However, the average length of time required to complete the examination is approximately three hours.

Q. A Rushville resident writes: "I am going to take the State Merit examination for Public Aid Caseworker I and I would like to know if you can either loan me or tell me of books I can obtain to help me."
A. The Department of Personnel does not furnish or recommend study material for various examinations. Announcements covering the examinations to be offered indicate the knowledge and skills tested. Questions regarding positions under the State Merit System should be addressed to the Department of Personnel, 121-B State Capitol, Springfield, Illinois.

Twist Champs

Chosen At

Roller Rink

The Art Roberts Show from WLS entertained the teens at the Rollin' Wheels Roller Rink at Twin Lakes, Wis., on Sunday, Sept. 1.

Highlight of the evening

was the final judging of the Summer Champion Twister Contest. The two remaining couples competing were Donna and Rusty Maltz, (brother and sister) from Pell Lake, Wis., and Jackie Bailes of Camp Lake, Wis. Winning couple were Donna and Rusty Maltz.

The winners received an engraved trophy declaring them champions, a record album and a case of Pepsi-Cola.

Champ Angler to Win Trip to Arkansas

Twenty-nine finalists, 26 of whom had to qualify in daily competition which has been going on since Sept. 9, will compete for the 1963 Illinois state fishing championship on Channel Lake and Lake Catherine in the Chain O' Lakes near Antioch on Sunday, Sept. 22.

Don Nichols of La Grange Park, the expert spoon-plugger, will defend his crown. He and two other previous winners, Harold Smiley of Round Lake Park, 1961, and Bill Hoffman of Evanston, 1960, were seeded into the finals by Barney Shunnesson, operator of the Channel Lake

boat house, who sponsors the contest.

Sunday's winner, in addition to receiving the title trophy, also will qualify to represent the state in the World Series of Fresh Water Fishing Championship Oct. 27-31 on Bull Shoals Lake, Ark., where he or she will be the guest of Everett Crow of Crow-Barnes Resort.

Shunnesson, is furnishing the traveling expenses to and from Bull Shoals for the state winner as well as the title trophy and nine other cups and plaques for the top nine finishers after the champion. The title fishoff will be be-

tween 9 a.m. and noon, and 1 p.m. and 5 p.m. The angler with the most points at the day's conclusion will be recognized as the champion. The finalists, as during qualifying, will fish for black bass, northern pike and walleyes. Each fish caught is worth 10 points and every pound five.

Among those qualifying

thru Sunday (Sept. 15) included: Mrs. Marge Enghart of Round Lake Park; Harry A. Balster of Westchester; Ray Gray of Elmwood Park, Chicago's American outdoor writer; John Anders of Wildwood; Bob Svoboda of Antioch; Richard Langlois of Arlington Heights; George Kraymer of McHenry; Robert Philip of Round Lake Park; Louis Kucaba of Brookfield; Bob Munsell of Mundelein, and Allen Lindner, Ray Dolac, Ed Rakosnik and Frank Preece, all of Chicago.

JOHN MORGAN, (33) looks like he could use a little help on this play as numerous maroon-shirted Falcons move in for the kill. Later in the game, Morgan scampered 34 yards, the longest gain of the evening, only to have the play nullified by a clipping penalty.

Sequoits Score Only TD Of Game on First Play

Antioch's fighting Sequoits scored on the first play of the game Friday night and hung on to eke out a 7 to 0 victory over the Falcons at Salem High School.

Playing a bruising game defensively, the Sequoits held the Falcons scoreless and overcame 123 yards in penalties racked up against them. The TD came on a short swing pass by the quarterback John Lear to end Bernie Smith. Smith gathered in the pass and scampered 34 yards for the touchdown. Lear took the ball over on an end sweep for the point after touchdown.

The Sequoits mounted another offense later in the quarter. Starting on their own 23 yard line, the Sequoits moved to their 43 in 6 plays before an illegal motion penalty set them back. The Sequoits moved the ball to Salem's 27 yard line before an offside penalty set them back again. After two incomplete passes Antioch was forced to punt.

Salem's only threat came early in the 3rd period when they received a punt on Antioch's 30 yard line, and took it 8 yards down to the Sequoit. A 15 yard penalty set the Falcons up with a first down-and-goal-to-go-on-the-Antioch 7 yard line.

Two tries at the middle of the Sequoit line failed to gain and on 3rd down Greg Klemko, Salem fullback, crashed over guard for 6 yards to the Sequoit 1 yard line. On fourth down the Sequoits fell on a fumble in their own end zone for a touchback, ending the scoring threat.

Longest run of the game was by John Morgan who car-

ried the ball 34 yards on an end run only to have it called back by a clipping penalty. Both teams played outstanding football defensively but neither moved the ball on offense very effectively.

The Sequoits will be pointing for their game against

Grayslake Saturday as they work out a few kinks in their offense this week.

Grayslake is rated high in the standings of the Northwest Suburban Conference this year. They fought McHenry to a 6 to 6 tie last week in their only game thus far

this season. "They are a big team Coach Nelson said and we expect them to do a lot of passing.

Coach Nelson had high praise for Paul Lindblad, Tom Tantlinger and Lon Ipsen for the defensive work against Salem Friday night.

QUARTERBACK JOHN LEAR breaks through for a short gain Friday night against the Salem Falcons. Coming up to help out on the play is senior end Bill Alm (89). The Sequoits won their first game of the season, beating the Falcons 7 to 0.

Stars To Show Skill At Antioch Bowl Sept. 22

Bowling fans will have a chance to see some of the best to bowl next Sunday at the Antioch Bowl, get instructions from the two stars who are appearing there, and donate to the building fund of Countryside Hospital.

Pat Patterson and George DeRosa are the bowling stars who will exhibit their skill at knocking down the pins. The exhibition will start at 2 p.m. Sunday, September 22. There is no admission fee.

The two stars will give individual instruction at the close of their exhibition.

George DeRosa is twenty-nine years old. She's 5'3" tall and weighs 128 pounds, proving you don't have to be

big to be a good bowler. She lives in Chicago.

George's mother was a member of two National Championship WBC teams. Her husband, Fred, was a member of the ABC Championship team.

Pat Patterson is captain of the Budweiser team of St. Louis. He's one of the nation's leading ABC medal winners, claiming nearly 30 awards.

During the summer of '59,

Patterson won the Jubilee Lanes portion of the Pa. "Big 4" turney, with a score of 1104 for five games. His other tournament victories include the coveted Bowler's Journal title which he captured in 1954 by tallying 1137 in the five-game test.

Although he employs an unusually high backswing and rolls one of the fastest balls among the top stars, Patterson is considered one of the most graceful and smoothest stylists in the game today. He uses a semi-fingertip to deliver this semi-roller ball. Born in October, 1925, Pat has been bowling since he was 13 years old.

Boat Classes Start Oct. 2

Starting Wednesday, October 2nd, at 8:00 p.m. in the Grant High School, Fox Lake, the Chain O' Lakes Power Squadron will begin another season of Free boating classes.

These classes are presented Free of charge to those interested in expanding their knowledge or just beginning to get "the boating bug". Anyone is eligible who has a desire to Do It The Right Way. For years the United States Power Squadron, of which the Chain O' Lakes Power Squadron is a unit, has devoted its energy to teaching Safe Boating. They cover the latest rules and regulations, seamanship, compass, charting and many other interesting subjects.

Ray's Tap Scores Win

George Allen allowed only six hits Sunday as he won his 3rd game in a row.

Ray's Tap ends the season with a respectable 11 & 4 won-lost record.

Ray's Tap was sparked by the return of Roman Bobeck, who was injured at the beginning of the season. Ronnie had 2 hits, a single and a double in 4 trips. Bud Biller got his 3rd home run of the season. Dick Wolf collected 3 singles in 4 trips and Larry Wiedmann, 2 singles and a double in 4 times at bat. Every player in Ray's Tap got at least one hit for a total of 17.

H. Kinast got to George for 2 singles and was the heavy hitter for Brass Corner.

Next year Ray plans to organize a Tavern League, so watch this paper for further announcements.

Whats

Cookin'?

By Harry H. Stern
"GIVE ME LIBERTY OR GIVE ME DEATH" IS A LOT MORE INSPIRING THAN THE PACIFISTS' WAIL "BETTER RED THAN DEAD."

Big bluebills and jumbo perch are hitting good now, if you know where to get 'em. Like for instance, last week Bill Everling and Art Ecklund pulled in over fifty a piece of each, according to Jake Dykstra, the official tally clerk. Knowing Jake as well as I do, I'd say he missed counting a big few. Worms was the bait used and the Fox River above Blarney Island, the place. There are four cottages (?) on the north bank, and one of 'em is the Mystic Rod and Gun Club. Dis was de-blace. Just next door, Harold Dietrich and George Volme were out on their pier, holding a cane pole, with hook, line and a worm attached. That's all they were doing. That, and watching their neighbors haul in the fish. Just like the wise old man said, some fish and some gotta cut bait.

Little girl to her mom: how can I button my dress when the zipper is in back and I'm in front?

Somebody is always coming up with a new innovation in fish catching. This one is on "taking the carp" and Chuckie Haling is the innovator. An area is selected where the carp are known to congregate. In the Chain this presents no problem. Bread is then thrown out on the water to get them feeding on it. A fly rod is used, with a small piece of white sponge rubber on the hook, which is then plopped among the gluttonous fish, and which they take as readily as the bread. They run small, about one to two pounds, but on a flying rod this is pretty sporty. Anyone

for smoked-Carp?

So this guy Max Cohen grew too old to work on an ice wagon, so he got himself a job at a convent as handyman, doing odd chores. After three weeks, Mother Superior sent for him. Sumt'ings wrong, he asked? In the main your work is satisfactory, she replied, but there are three little items that should be corrected. First, you have been coming in late. We here insist upon punctuality. Second, we like it quiet here so please do your work as noiselessly as possible, and third, don't call me Mother. Shapiro.

Lake County Chapter of Ducks Unlimited have set the date for their annual turkey shoot. Ben Shostak, chief moving spirit, is busier than a one-armed paperhanger on a tin roof, making the arrangements. October 6th is the day and the grounds of the McHenry Sportsmen's Club at the south end of Pistakee Bay is the locale, same as last year, when a good sized contingent from Antioch took in the shoot and laid in a goodly supply of turkey meat for the winter. Net proceeds go to DU to be used in building duck factories in Canada.

SITUATION WANTED — Marvelous hunting guide services available. Furred, finned or feathered game, legal or poached. Best references. Will also baby sit, or sit up with a sick friend. For reservations, call Jack Fields.

3rd Strike — Some outboard boatmen make it a practice to start their motors after they have been removed from the water. The idea is to expel any water that may be left in the cooling system. Although the theory is sound, this practice should be avoided, say the engineers at Evinrude Motors. In most cases, the water will drain out by itself and the small amount that may be left will not hurt anything.

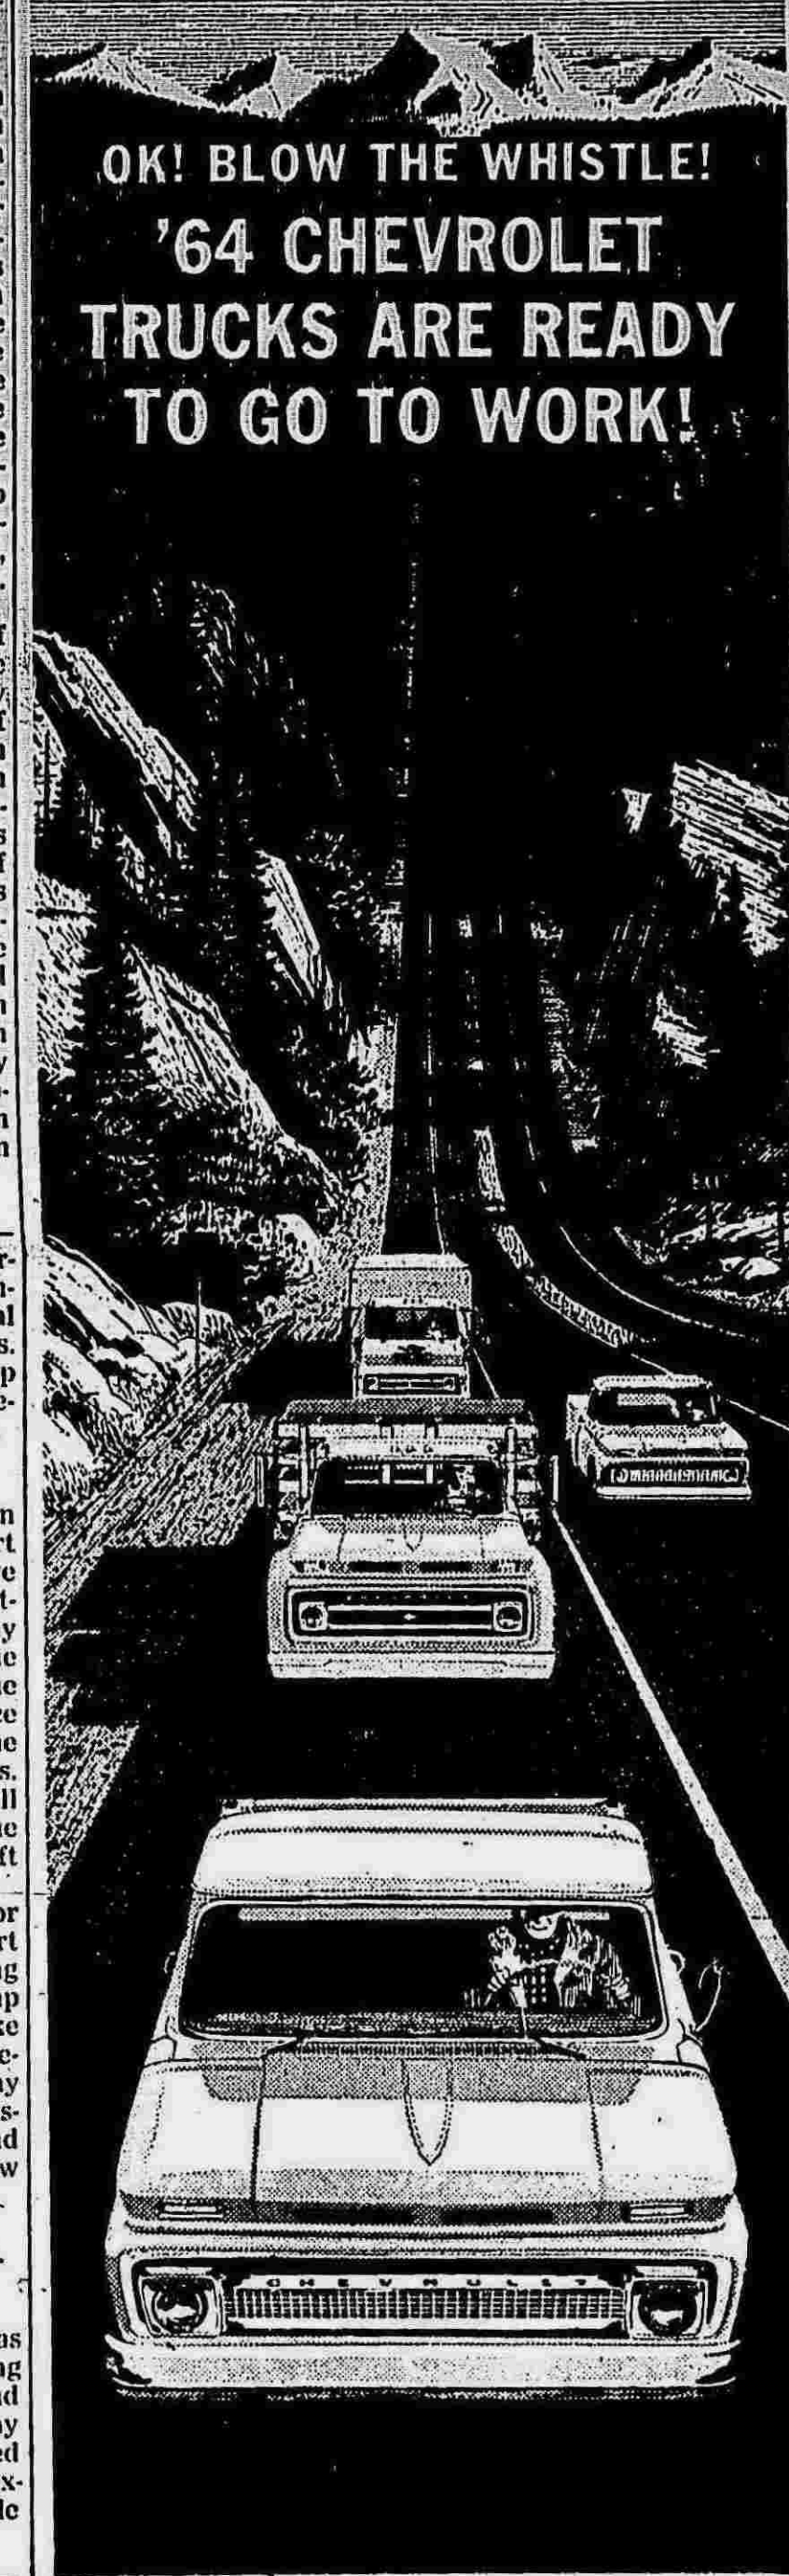

Running an outboard motor out of water for even a short time can cause overheating and will invite water pump damage. If you want to make sure all of the water is out before putting the motor away for an extended period disconnect the spark plugs and give the starter rope a few easy pulls.

Take charge of the lights.

And It Seems Twice That — A centenarian says he has lived to be 100 by refraining from smoking, drinking, and chasing women. This may explain how he has lived that long, but it doesn't explain why.—The Cherryvale (Kan.) Republican.

WARD LEAR, Antioch High School Athletic Director, points out a few features of the new motion picture camera, recently purchased with "A" Club funds. Looking on are "A" Club members Ken Larson, Bill Eckert, basketball and track coach Roger Andrews, and Tom Tantlinger. The Athletic department plans to film at least 3 football games this season.

A new '64 Chevrolet is a lot more truck than your money bought the last time. Bodies, cabs, engines, frames, suspensions—all have been improved to give you more value for practically the same investment. Let us bring one over to show you why Chevrolet's the truck to put your money on.

Fender-Benders Are Crowd-Pleasers At Speedway

"Fuzzy" Fassbender of Slinger, Wisconsin, and Dennis Burgan of Zion carried off the honors Sunday afternoon at the New Waukegan Speedway. Fassbender swept the Trophy Dash, 2nd Modified heat and the 30-lap modified feature race while Dennis Burgan was wrapping up the 20-lap feature for fender-benders.

In the big one, Johnny Reimer, Coladonia, finished fourth but gathered enough points to take the Waukegan Speedway season point lead. Ed Stillman and Don Sorco, who had been tied for first place, failed to get their cars into action and Reimer grabbed 14 points for position in heats and feature events.

The "Beat Your Neighbor" competition was slightly revised to include drivers from other divisions. On a

signal, every driver with a crash hat raced out of the pits on foot and vied for the six cars available. They were then divided into teams of three cars each and flew at it in all directions. Jim Sullivan of Antioch made the show when he drove down the straightaway backward on the final lap and crashed into the leader. Jim earned a black and blue nose along with a transistor radio awarded by Star Sales in Waukegan.

Other money winners included: Jim Luther, Bill Robis, Dick Aissen, Jim Lawrence of Bristol, Wisconsin, Dick Van DerSpool, "Junior" Dodd, Bill

Ansell, "Swede" Erickson, Jimmy Cossman, Fran Semmes and Ray Busch.

In Burgan's feature win, 18 cars started and about eight were running when Starter Frank Pinter dropped the checkered flag. Several crashes and loose wheels wiped out the balance of the field. Fender-bender competition is becoming a great crowd-pleaser and more cars are entering each week.

According to Promoters Gordon Sill and Bob Karry, the next four shows will see the greatest Modified racing on Sunday afternoons this far this season. All but one

of the six Wisconsin tracks have closed and all their drivers will be on hand when the green flag drops at 2:30 p.m. Sunday, New Waukegan Speedway is located just one-half mile west of Waukegan on Washington street.

Time trials begin at 1 p.m.

BOATING WITH BOWMAN

By Hank Bowman
CAVITATION - MARINE NUISANCE AND THIEF.

Most standard dictionaries don't include the word "cavitation". Yet cavitation is a marine phenomenon that steals thousands of dollars from pleasure boatmen each year and detracts from their pleasure. Many boat owners don't know anything about this marine pest or have any hint that some of the annoying sounds, a large portion of their fuel budget and even some of their repair bills may be due to the formation of air cavities in the water passing through their boat's propeller.

A marine propeller acts as a water pump. It draws water through its blades forcing a high velocity spiral stream into the mass of water behind. This thrusts the boat ahead. Since water is many times more dense than air, the introduction of air into the propeller stream results in a loss of thrust or propeller efficiency. The propeller skips and fails to produce its intended thrust, turning inefficiently like an auto's wheels spinning on glare ice. This is cavitation.

There's a marine axiom that "A thirsty propeller, not fed enough water will drink fuel". This is true. The fuel consumption of any engine is governed by the revolutions per minute at which the en-

gine operates; the higher the rpm, the greater the fuel consumption. If a propeller doesn't develop its potential thrust at any given rpm, it is wasteful of fuel.

On some boats suffering from propeller cavitation, the phenomenon is only noticeable in turns at fairly high speed. This is usually caused by underwater accessories such as drive shaft, rudders, struts, keel or excessive marine growth causing a vacuum or partial vacuum forward of the propeller. Since nature abhors a vacuum, air is drawn from the surface of the water to fill the cavities.

Cavitation may usually be corrected by increasing propeller size; diameter or pitch or both. The outboard owner can often eliminate cavitation by decreasing the angle between transom and drive shaft housing, by dropping the motor in a notch or a pin hole with the mechanism provided for that purpose. Cavitation, too, may be caused by the propeller operating too close to the surface in less dense water. On an outboard this is corrected by reducing the height of the motor mount board.

Too much deadwood, that is an overly generous keel or keel extending too far aft, also can cause disturbance. This, too, calls for a larger propeller or a modification to the keel.

Porsche Takes Win In "500"

The sight of a hot sports car roaring along the twisting, hilly track of Road America on just three wheels must have had many spectators agog—but that is exactly what Lew Spencer of Los Angeles did during the 1963 "500". Spencer lost a wheel at Station 2—and actually drove his Shelby AC-Ford Cobra nearly three and a half miles to the pits at a difficult driving feat at any time but especially so with a race going on!

On the curves, Spencer was using his big brake disc as a substitute wheel; then, after completing his corner, he would gun the engine and the powerful car accelerated and level-off so that he was hitting nearly 100 miles an hour on the straights. A great display of driving.

Spencer eventually finished in sixth place, moreover, Porsche Parade.

That Porsche-engined cars have impressive reliability—and handling—has been demonstrated for the third consecutive Road America "500" in their third straight Index of Performance victory. This evaluates cars on the basis of measuring engine displacement and weight and is highly-coveted by drivers.

Index winner, driven by Bob Donner of Colorado Springs and Don Sessler of Lancaster, Ohio. And this year saw Milwaukeeans Augie Pabst and Bill Wuesthoff take the Performance diadem with their Porsche-powered Elva.

Different Tactics

There is no set way to win a race—especially a 500-mile! In 1962, Texans Hap Sharp and Jim Hall drove the Road America "500" as if it were four sprints, making three pit stops and each man driving two flat-out sections of 125 miles each (setting a record pace in the process of going the 500 miles in five hours, 53 minutes, and 1.3 seconds). This year's race was won by entirely different tactics: Milwaukeeans Bill Wuesthoff and Augie Pabst drove 344 and 156 miles respectively with just one swap of the driver's seat—and that on an arrangement discussed only that morning.

For Want of a Tool

Because an irreplaceable pad-pulling tool was left behind, the Carroll Shelby Cobra pit crew had a nearly-impossible time attempting to pull and replace worn disc brake pads during the 1963 Road America "500". In all, over 11 minutes were spent in the pits on just two stops for repairs and refueling by the Bob Holbert-Ken Miles car—an excessively serious hamper to team chances of an over-all victory.

Lake Villa News

Mrs. Fred Bartlett, Corps.
LAKE VILLA — Lake Villa Rescue Squad Dance.
The Lake Villa Rescue Squad will hold a dance Saturday, September 21st at the Lindenhurst Civic Center. Dancing will be from 9:30 p.m. till 1:30 a.m.

Music will be furnished by King Jaro and his orchestra. It will be a come as you are, pay what you want dance. Proceeds will go for upkeep of the equipment and maintenance of the squad.

Royal Neighbors
Mrs. Clarence Blumen-schein was honored at a party given by the Royal Neighbors of Cedar Lake Camp Tuesday night. The Camp presented her with a gold plate in observance of her 50th wedding anniversary. Sandwiches, cake and coffee were served. The following were present: Mr. and Mrs. Blumen-schein, Georgia Avery, Marie Hamlin, Helen Reimer, Helen Fish, Bertha Fish, Edna Botts, Anna Velkovich, Mathilda Anderson, Winifred Seefeldt, Meta Jost, Dorothy Smith, Cella Paske, Velma Langosch, Gertrude Malecka, and three guests.

The Royal Neighbors' officers' club met Wednesday, September 11th at the home of Mrs. Paul Avery, Sr. A dessert luncheon was served by the hostess. Co-hostess was Marie Hamlin. The following attended: Bertha Fish, Edna Botts, Mathilda Anderson, Cella Paske, Gertrude Malecka, Helen Reimer, Meta Jost, Winifred Seefeldt, Cecile Blumen-schein, and a guest. There will not be a meeting of the Royal Neighbors of Cedar Lake Camp on Tuesday, September 24th, as the annual Royal Neighbors convention will be held in Antioch on that date.

VFW Items
The membership kickoff drive for dues for the Lake Villa VFW Memorial, Post 4308 was officially started September 9th. The drive will be headed by Sr. Vice Commander Adolph Dobschaff, the membership chairman. Four teams will assist him.

The winning team will receive prizes and the three other teams will receive prizes according to dues collected. The drive will be concluded with a membership dinner dance to be held on November 16th, at the Post hall. All 4308 members are invited.

Hayride and Weenie Roast
The Lake Villa VFW Veterans club held a Hayride and weenie roast Saturday, September 14th. The members enjoyed a ride through the countryside, after which a weenie roast was held on the post parking lot.

Kadette News
Norma Blumen-schein has taken over the training of the Kadette drill team. Matt Oik is no longer with the team. He did wonderful work while they were under his training, and have done nice jobs in competition and parades.

Mr. and Mrs. Harvey Brooks are receiving congratulations

on the arrival of a grandson born Wednesday to Mr. and Mrs. Donald Brooks of Lake Villa.

Mr. and Mrs. Frank Slazes, Sr., are receiving congratulations on the arrival of a grandson, born Saturday to Mr. and Mrs. Lelf Larson of Antioch.

College News
Jimmie Sheehan, son of Mr. and Mrs. Elmer Sheehan, left Sunday to attend the University of Wisconsin at Madison, Wis.

James Prossie, son of Mr. and Mrs. H. Prossie, is attending the State College at Menomonee, Wis.

Dale Armstrong, recently attended a convention of the Phi Kappa Psi Fraternity at the Northwestern University at Evanston, Ill. It was held from Sunday through Wednesday. Alumni from all over the United States gathered. Dale was there as a delegate from the University of Missouri where he is a Phi Kappa Psi member.

Last Friday Mr. and Mrs. Leonard Armstrong and son Darrell drove Dale to the University of Missouri at Columbia, Missouri, where he will be a junior this year.

Visitors
Norman and Everett Nelson of North Chicago were visitors Saturday at the home of Mr. and Mrs. Fred Bartlett, Sr.

"A" Club Buys Movie Camera

Football and basketball players at Antioch Community High School, track men, etc., will be able to see movies of themselves in action henceforth.

This has been brought about by the recent purchase of a Bell & Howell 16 mm. movie camera by the "A" Club at the school. The camera has a tripod, light meter and telephoto lenses. The lens is the same as the one used by Northwestern University and the Bears in photographing their games.

Couples of the various teams at the school expect the camera to be invaluable in many ways. Films of certain plays can be run and re-run, giving the players a chance to study why a certain play didn't work, to locate and remedy weak points in plays, etc. It will provide a record of each team. Also, the film will be available for viewing by college coaches interested in players.

In addition, the camera will be a valuable coaching aid. Coaches expect to record

about three football games, three or four basketball games, and at least one conference track meet.

The various money-raising activities of the "A" Club netted the proceeds used to purchase the camera and equipment. These include the sale of programs at games, the game between the "A" Club and faculty, and the game between the faculty and businessmen of the town. The camera was paid for in full from the Club funds, and the boys expressed their thanks to all the people who have supported and participated in their activities.

Drop Cost Of Electric Heat

The Commonwealth Edison Company will reduce its electric space heating rate by about 10 per cent, James W. Karber, chairman of the Illinois Commerce Commission, announced today. The new rate will apply to residential, commercial and other customers using electricity as the sole source of energy for heating.

The reduction, which cuts the rate from 1.5 cents to 1.25 cents per kilowatt-hour, is provided in a new rate schedule filed by the utility. It is to become effective Oct. 12 and will be the third reduction in the electric heating rate in less than three years.

As an example of the effect of the new rate, the heating bill for a home using about 12,000 kilowatt-hours a year for heating will be reduced from approximately \$180 to \$150, a saving of \$30.

Channel Lake News

By Pearl Kapell
Joe Zeien finished his Navy service and arrived home August 30. He and his wife Pat are living at Petite Lake.

Pete Zeien returned to Blackburn College at Carlinville, Ill., on Sept. 14. He's starting the second semester of his sophomore year.

The Paul Zeien family celebrated three birthdays this month. David observed his third birthday on Sept. 6, Kathleen her fourteenth on Sept. 13, and Paul, Jr., was 2 years old on Sept. 14. That's a lot of cake.

COMMUNITY CLUB DOINGS
The hay-ride party Saturday night, sponsored by the Channel Lake Community Club, was a huge success, with about thirty people attending. A sleigh ride party is being planned for the winter months.

BLUBBER CLUB
The Ladies Blubber Club is meeting regularly again on Thursday nights at the Channel Lake gym. All you have to do to join is show up at the gym at 8 p.m.

Anthony Azzarello, Lake Ave., was taken to the hospital by the Rescue Squad last Friday, after suffering a probable stroke.

Mr. Azzarello and his wife, Emma, are both deaf mutes.

The Commonwealth Edison Company will reduce its electric space heating rate by about 10 per cent, James W. Karber, chairman of the Illinois Commerce Commission, announced today. The new rate will apply to residential, commercial and other customers using electricity as the sole source of energy for heating.

The reduction, which cuts the rate from 1.5 cents to 1.25 cents per kilowatt-hour, is provided in a new rate schedule filed by the utility. It is to become effective Oct. 12 and will be the third reduction in the electric heating rate in less than three years.

As an example of the effect of the new rate, the heating bill for a home using about 12,000 kilowatt-hours a year for heating will be reduced from approximately \$180 to \$150, a saving of \$30.

Channel Lake News

By Pearl Kapell
Joe Zeien finished his Navy service and arrived home August 30. He and his wife Pat are living at Petite Lake.

Pete Zeien returned to Blackburn College at Carlinville, Ill., on Sept. 14. He's starting the second semester of his sophomore year.

The Paul Zeien family celebrated three birthdays this month. David observed his third birthday on Sept. 6, Kathleen her fourteenth on Sept. 13, and Paul, Jr., was 2 years old on Sept. 14. That's a lot of cake.

COMMUNITY CLUB DOINGS
The hay-ride party Saturday night, sponsored by the Channel Lake Community Club, was a huge success, with about thirty people attending. A sleigh ride party is being planned for the winter months.

BLUBBER CLUB
The Ladies Blubber Club is meeting regularly again on Thursday nights at the Channel Lake gym. All you have to do to join is show up at the gym at 8 p.m.

Anthony Azzarello, Lake Ave., was taken to the hospital by the Rescue Squad last Friday, after suffering a probable stroke.

Mr. Azzarello and his wife, Emma, are both deaf mutes.

Our own IGA Beef Buyers are assigned to the good producing areas, personally selecting only the finest beef. Corn fed and naturally aged, you are guaranteed beef that is tender every time or your money plus your meat purchase back.

IGA FOOD MAGIC!
by Eddie Doucette

Taking advantage of this TableRite Steak sale, here's a recipe that will stimulate worthy comment. Broil TableRite Steak of your choice to desired doneness. Saute 1/2 lb. sliced TableRite Mushrooms in 1/4 cup TableRite Butter adding 2 tbsp. flour, a pinch of salt and bit of pepper. Gradually add 1 cup of beer or ale and continue cooking and stirring over medium heat till sauce is thickened. Blend in 2 tbsp. chopped parsley, pour over steaks and serve. Accompany with IGA Frozen French Fries or Potato Puffs. Then a salad, vegetable and crusty bread is all you need.

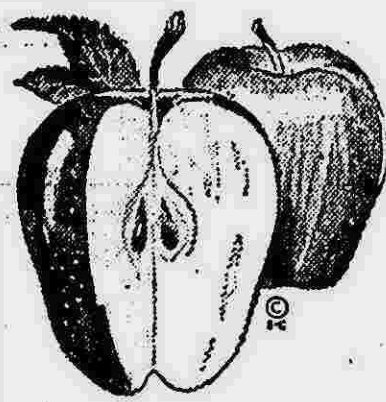

IGA TableRite Meats are trimmed for the table with all excess fat and bone removed. Only enough fat is left on each cut to assure you of fine flavor and tender eating enjoyment. IGA TableRite Meats are always priced for true value, but never overpriced.
